## **FUN & FROLIC FINE MASTER ~ Jean Schlinkmann**

First fined was Brian Berg because she didn't have time to get to the bar for club soda to remove a spot on her shirt.

Jean gave kudos to Rachel Hubsch for the wonderful job of cleaning up the club's storage locker. Everyone who has never been to the storage locker was fined.

Jean & Jeff Stoner were welcomed. Jean further explained that for 28 years she was the only 'Jean' in the club. Then about a year ago Gene Walters made it 2 and now there are 3 Jean/Gene's in the club...very confusing. Gene Walters will be referred to as "Batman" (his nickname). And Jean Stoner will be referred to as "Stoner."

Jean is looking forward to hearing the scoop about Wendy's clients.

Brian Berg never went over to the judge's stand to say 'hello' during the 15 years Jean served as judge at the Septemberfest parade even though his house was right across the street.

Barry Christian said God's country and wine in the same breath – do they go together?
