### ANNOUNCEMENTS

Saturday's Fellowship concert is tomorrow night on the Schaumburg Village Hall grounds. Look for Rotary balloons on the lawn. If the forecast is poor, at 5:30pm they will post indoors accommodations at the Prairie Arts Center where seating is available for only 400. Go early to get in line for an indoor seat.

### HAPPY DOLLARS

- . Bill Kelley reintroduced former Rotarian Marie Pabst, formerly Gildersleeve, who is exploring a service membership with us.
- . The Dopkes celebrated Linda's birthday by attending the American Music Festival. Also, Bruce got COVID from attending. He received medication from his doctor, which has made a big difference in his recovery. Also, during last week's storm a huge 40 year locust tree branch just missed hitting their house.
- . Jeff's oldest son is engaged. Jeff likes the bride to be. Also, during the storm, their backup generator ran smoothly for 9 hours.
- . Assistant Governor Jim Thompson reported that his daughter is now married. Club members convinced him he is not off the hook.
- . Jim McCulla reported that 19 years ago he paid \$35 for the McCulla's 35th anniversary. Today, celebrating their 59th, he is \$59 happy.
- . Bill Landwer is happy to be out of the hospital and Mimi has been well for a month now.
- . For members who missed the Installation Dinner, President Elect Rachel has Perfect Attendance Awards and Director Pins.
- . Gene W's daughter will be performing at the Taste of Park Ridge. He was happy to see Allen smile recently.

## **BIRTHDAYS**

Rachel paid handsomely not to be sung to.

Wes paid more and wished us to sing to Rachel. It was perfection.

## **QUEEN OF HEARTS DRAWING**

Pat Groenwold was lucky but not a big winner.

## **FUN & FROLIC - ALLEN**

- . President Brian fined for asking Allen to start F&F while he was still eating.
- . The board was fined for not having an updated 2022-23 banner. Also, the 2021-22 banner does not have the Immediate PP Wes noted.
- . Bill Kelley was fined for mis-introducing Marie as Gildersleeve.
- . Marie was welcomed and promptly fined.
- . Bruce's happy dollars were all good, but sounded like the program.
- . Jeff likes his daughter-in-law-to-be more than his son.
- . Gene was fined for a previous disparaging comment regarding Allen's Michigan State cap to which Wendy (also an MSU alum) took offense.
- . Bonnie did not offer happy dollars for their 59th anniversary. She suggested they might be forthcoming next week.
- . Anyone late, sitting without a guest, and not attending Saturday's fellowship event were fined.

## **PROGRAM PRESENTATION**

Maureen Brant and Sue Gould represented Realtors Against Homelessness (RAH), established in 2011 at the request of then Supt of D211, Dr. Nancy Robb. Currently, there are 240 known homeless D211 students, which means they and their families lack a permanent/fixed nighttime shelter. Staying overnight at relatives, friends or in cars, defines homelessness and all of the accompanying insecurities i.e. food, jobs, health, etc. RAH will be having a golf outing at SGC on Sept 19. Sponsorships and foursomes are available.
