Our meeting yesterday was not your typical club lunch meeting. We met at Bar Down, next to the Poplar Creek Bowling Alley, for some March Madness. There we enjoyed great fellowship, lots of food and some very good NCAA basketball. We were treated to a very exciting overtime win (89-84) by Kentucky over Santa Clara, which made one member present very happy and another not quite so happy.

While there was no formal meeting, there are a few items of note to be reported. We have gotten questions about how we did at the Classic from the fund-raising perspective (since it seems everyone had a great time from the party perspective).

Although the numbers are not final yet, the conservative estimate is that we have netted at least \$155,000 from the 2026 Classic...a nice ending for our "Once Upon a Time" story!

Also, when we meet **at Chandlers** next week, we will have a debriefing about the fireside chat that took place last month. So bring your thoughts and questions to this important discussion opportunity,

Save the Date: May 16th for an evening to remember. Shea is inviting the club a gathering at his home for food and beverages followed by a sunset Wendella architectural tour. More details will follow. If we are able to gather more than 20 people, the cost per person will be only \$35 for the sunset boat ride.

Hope to see you all **at Chandlers next Friday!**
