PROGRAM PRESENTATION

Ghostbuster Rebels were in the house! Who you gonna call?

The crew of four led by Chad were in full uniform and gear. They raise funds by selling special patches at events, birthday parties, etc. All of the funds are donated to various charities like: Shriner's Children's Hospital, Autism groups, Toys for Tots, etc.

There are 327 Ghostbuster groups in the world. Because each group donates and doesn't keep any of the funds, they are allowed to exist. They love dressing up and riding in their Ghostbuster cars. It's all volunteer time and at their expense.
