The Power of Donated Books

Each year, generous readers donate hundreds of thousands of books to support literacy. **Open Books** sell those books in our stores and online to help fund our program. We use and give them away in our literacy and book grant programs. Our book department **produces zero waste**, and we give away 2.5 books for every 3 we sell.

Open Books welcomes any sellable book in good condition. This includes fiction, nonfiction, craft books, cookbooks, children's books, and more! We also accept LPs in good playable condition. Since we give away so many children's books, we are always in need of more high-quality titles.

We discourage: Old travel books, encyclopedias, torn/worn books.

Tax Deductible: We are a 501(c)3 nonprofit, so all donations are fully tax deductible. Looking for a receipt for your donation, [click here](#).
