

Rotary Club of Calabasas

SERVICE ABOVE SELF

Rotary of Calabasas is a great way to get involved in Calabasas' increasingly rich civic and community life, and to expand your international scope!

We have great speakers, events, and members.

Our club is organized around a weekly lunch with a distinguished speaker. But the focal point of our club is on the many activities, events, and service projects in which we are engaged throughout the year, some of which are listed below.

Join us at our weekly meetings for lunch, friendship and fellowship!
