Program for Today: [Amazing Central Coast Underwater Video](#)

Barbara Burns introduced **Sue Sloan** whom she met several years ago on a scuba diving trip in Honduras. Sue became an ocean lover and enthusiast after moving to San Luis Obispo over 40 years ago. SCUBA diving became her life's passion after getting certified in 2005. She has made 100's of dives off the CA coast and around the world. She earned her Rescue Diver certification and Scientific Research Diver with Reef Check. Sue has filmed and produced two underwater movies, Central Coast rockfish and California Central Coast Kelp Forest. Due to her love of the ocean and desire to keep it healthy, Sue has been involved in several group underwater clean-ups in Morro Bay, Avila and Hawaii where large amounts of trash and debris have been removed and discarded.

Why would anyone want to kayak scuba dive? The coast of San Luis Obispo County is super rugged and there is a great deal of marine life, from seals and sharks to fish and whales and the scuba diving environment is just stunning.

Sue has made over 100 dives with dive buddy and marine biologist, **Terry Lilly**. She is one of the only female kayak divers on the Central Coast.

Everyone was riveted to the screen as Sue played a movie of a dive she and fellow diver, Terry Lilley took. You can see part of this video at https://www.youtube.com/watch?v=_-ODi7cYLM

VOLUNTEER QUOTE OF THE WEEK

Volunteering can be an exciting, growing, enjoyable experience. It is truly gratifying to serve a cause, practice one's ideals, work with people, solve problems, see benefits, and know one had a hand in them.

ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4th Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
