## President's Messages & Announcements:

- **Otis Archie** introduced our president and told us something we did not know about her. She is starting a new business and will be making and selling succulent wreaths.
- **President Sharon** welcomed us to the second-to-last meeting of her presidency.
- **Bob Putney** told us that during the 2017 Rotary International convention – an event where nearly 36,000 Rotarians, the **Bill and Melinda Gates Foundation** and numerous other partners committed another \$1.2 billion towards the efforts of eradicating polio over the next three years. Bob also asked that we open our

wallets and help our club go over the \$2,000 in contributions to Rotary International. We were only \$20 short of that number. Needless to say, we rose to the occasion!

- **Mike Griffin** said a Thank You for a Grow Past Grow for our Foundation & the **Neal Jensen Fellowship**.
- **Roger Robinson** told us that there are forms for VIVA donations and tickets for us on the table.
- **Joan Broadhurst** reminded us of the Step Down Party on Friday June 23, for our President Sharon. No host bar beginning at 6 and dinner at 7.
- **Christel Chesney** pointed out that July 4th is just around the corner and volunteers will be needed for set up, take down and booth duties. A sign up sheet was sent around. Contact Christel if you are willing to help.
- **Judy Schuster** asked us to take some and rack cards for the **Grand Raffle** and post them at businesses around town and elsewhere.

## President's Messages & Announcements (continued)

- **Gil Igleheart** told us that the Rotary Club of Cambria Sunset has been closed down and the members were now part of the newly formed [Rotary Passport Club of the Central Coast](#). The first of their 4 general meetings will be held on July 27 at the PG&E Education Center offering a chicken and tri-tip lunch (\$20). The newest Passport member, local meteorologist, **John Lindsey**, will be the speaker. All are invited. Contact Gil for more information ([gil.igleheart@gmail.com](mailto:gil.igleheart@gmail.com)). More detailed information about the Rotary Passport Club is included as a separate attachment.
- **Otis Archie** announced that this was his last day as Sergeant at Arms (boo hoo) but he will be replaced by our very own crooner-in-chief, **Ron Perry** (Yea!!). Thanks for the great run, Otis.
- **Vicki Schumacher** read a heart-felt letter from **Mikki Bauers** letting us know that, due to health issues, she will be leaving the club. We will miss you Mikki.

## SHERIFF DICK:

The crowd cheered as **Sheriff Dick** caught both **Mary Ann Carson** and **Christel Chesney** without a pin at the BOARD MEETING! Deputy Bob announced that he did not catch anyone without a pin.

## FINE MASTER:

It was the Fine Master's second to last chance to collect dues still owed for this year so he wasted no time in collecting from those present.

**Patrick Hampton**, finally back from his country-wide trip, paid his balance of \$40.

**Ron Perry** dug deep into his wallet and came up with the \$26 needed to pay off his debt.

**Steve Spisak, Paula & Gerry Porter, Sherry Long and Matt Clevenger** were absent today so they will be expected to fork over some cash at our last meeting on the 30th.

**Miguel Sandoval** was fined \$18 for buying wine for the [Table of Wisdom](#) but it was decided that the people who benefited from that wine should be the ones to pay. So, the [Table of Wisdom](#) took up a collection and paid the \$18.

**Otis Archie** was fined \$10 for exceeding his carbon footprint by parking his [Prius](#) in 2 spots.

**Jim Zuur** was recognized for 33 years in Rotary (with 30 years of perfect attendance.)

**Christel Chesney** received an honorable mention for sitting at the [Table of Wisdom](#) and **John Ehlers** was also a recipient for his enthusiasm.

### **PRESENTATION: The Peregrine Falcon Migration**

Chris Cameron, accompanied by Celine, an almost 3 year old peregrine falcon, presented some interesting facts about these amazing birds. Peregrine Falcons can fly up to 240 mph. 45% of all birds migrate and that is about 4000 species. In our hemisphere birds migrate north in spring and south in fall seeking food and sex!!!! Some birds actually fly at 37,000 feet - cold and minimal oxygen. Some birds fly 8 days straight over 7000 miles and never stop to eat or sleep. Peregrine falcons mate for life and they always migrate solo and meet their mates at the destination. If their mate is not there, they find sex with someone else. Morro Rock Peregrine falcons do not migrate - plenty of food and plenty of sex there! Chris's ultimate goal in life is to care for people and to care for the earth.

## ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4<sup>th</sup> Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
