The Cal Poly Lady Mustang Basketball Team, the Cal Poly Athletic Department and the Rotary District 5240 **End Polio Now** Team are joining together again to host a benefit basketball game to raise money and awareness for Polio and its eradication. The game is Saturday January 12th, at Moss Athletic Center on the Cal Poly Campus, where the Cal Poly Mustangs will host the UC Santa Barbara Goucho's women's basketball team.

Allan Mac Kinnon proudly accepted the prestigious Remlap Jacket in recognition of his joke. Unfortunately your note taker was unable to hear the entire joke so cannot reprint it here. I am fairly sure, though, that Allan would be pleased to repeat it for you.

SHERIFF'S REPORT

One can never tell where our hawkeyed **Sheriff** may turn up so be prepared. That was the lesson **Judy Schuster** learned the hard way. She was enjoying a relaxing lunch at West End Bar & Grill when **Sheriff Dick** appeared. Unfortunately, Judy was not wearing her pin and was fined \$10.

THE FINE MASTER, being the trustworthy guy he is, confessed that it was his phone that went off during the meeting. He fined himself a paltry \$5 for the infraction.

JAN 4 PRESENTATION: YOUR ROTARY BY **BRUCE & JANE HOWARD**

Bruce began by reminding us the our Rotary world is whatever you want it to be. Bruce joined Rotary in 1988 and has since met life-long friends. Service is what we do but fun and friendship is the glue that holds us together. In 2004, Bruce and Jane attended a District Conference where they heard about National Immunization Day. The goal was to immunize 100% of all children under the age of 5 years. Bruce and Jane went to India where 150 million people were immunized in the 4 days they were there!

They have been to Nigeria three times to do immunizations because it is the epicenter of the epidemic.

Jane told us that 3 years ago she, along with Bruce and Joan Broadhurst, attended DG Nick Frankel's Step Down Party. During Nick's tenure as District Governor, he lost his wife, Heather to cancer. Before her death, Heather had a goal of seeing a mobile library in [San Miguel de Allende](#). Sadly she did not live to see her dream become a reality.

San Miguel de Allende is located in the far eastern part of Guanajuato, Mexico. With its gorgeous colonial architecture, enchanting cobblestone streets, it has attracted over 8,000 "ex-pats" to re-locate there from Canada, Britain and America. However, the surrounding country-side is very poor and mostly

illiterate.

DG Nick asked Bruce and Jane to take on the global grant already in the works. With over \$4,000 from our Club, Bruce and Jane set out to work with **Evar Schaake**, an ex-pat from Denmark who was living in San Miguel de Allende, to obtain a van and covert it into a mobile library. With Evar as the Project Manager, the new van was out fitted with computers and desks for 8 children as well as a library full of books that the children could check out.

Thanks to both Bruce and Jane for their informative presentation.

ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4th of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
