Program for Today: [Rotary, Making a Difference! An EXPOSITION!!!](#)

President Mike called up each of our group leaders to recognize them for their help with our club this year. Several talked about their area of service for the year:

Community Service: **Mary Ann Carson** named 15 members that help lead our efforts for this, funding 30 to 50 events each year, like the digitized scoreboard at the high school, the Honor Flights for veterans, and the Veterans Court, Highway Clean-up, the Cambria Emergency Response team, and many others.

Club Service: **Christel Chesney** alerted us to the coming Christmas Tree Auction -- & said we want to get more people involved in this.

Youth Service: **Richard Torchia** reviewed what he & his 6 member helpers are working on: RYLA, Scholarships for Coast & Leffingwell students, STEM and Take the Lead programs, the Middle School 4-way Test award & program, and books for the Grammar School.....all of these to Make A Difference!

Vocational Service: **Joe Morrow** was absent today so **Otis Archie** read Joe's notes: There will be a Social Mixer for Chamber of Commerce Business members, sponsored by our club. In August, we will do the [Back to School Teacher's Breakfast](#) to show gratitude to our teachers and staff. In October, VIVA will involve young people for various parts, getting them involved in community service too. In November, Joe will talk to us about Vocational Service some more.

The Rotary Foundation: **Bob Putney** came forward on this one, and brought several others to the stage to help identify the various areas that our Foundation & the world Foundation help support for Rotary: Polio Eradication, Peace Builders, and many others are a focus.

Membership: **Chris Cameron** suggested that each of us follow up with our neighbors who we previously asked to join Rotary. Can we get them to attend a lunch? Chris also talked about our need to get more younger members (under 50) and asking ourselves "who can I invite as a visitor?". Chris also reviewed the membership process for us.

International: **Jane Howard** talked to us about Project Peanut Butter. **Gale Ortenburger** talked about the relatively new Human Trafficking program that Rotary is involved in. Jane referred to the Uganda student we are sponsoring for education, about the Shelter Box program **Tim and Nancy Carr** started 3 years ago, the Mobile Library set up in San Miguel, Mexico, our [Peace Builder](#) committee, and another girl student we now have enrolled into Deepa Willingham's school in India.

ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4th Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
