OPENING: Sgt. At Arms, **Ron Perry**, greeted us with "Happy Friday". Welcome to the Best Rotary Club in the World!

FLAG SALUTE: **Tim Carr** led us in the "Pledge of Allegiance"

SONG: Ron led us in **The Adams Family** in honor of the Scarecrow Festival.

INVOCATION: **Donna Crocker** quoted Margaret Mead: "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

LUCKY BUCK: **Don Ramirez** won the Lucky Buck and donated the proceeds to **the servers**.

President's Messages & Announcements

Gerry Porter, filling in for **President Roger** welcomed us and, after telling us a few jokes, asked if there were any guests: **Nancy McKarney** introduced **Andrew Boyd Goodrich**, **Janet Meyers** introduced our guest speakers, **Claudia Harmon Worthen & Frank Widmann**. It was also noted that there was a stranger in our midst...**Lance Morales**! Welcome back Lance.

Gerry Porter announced that **Julius Achon**, Ugandan Olympic Runner, author and humanitarian, will be at our meeting on October 19. There will also be a VIP Reception and book signing on Oct. 18 at the Freemont Theatre and a Meet & Run on Oct. 20 at Rancho El Chorro Conference Center beginning at 10:30. See page 5 for more information. He also told us that the International Committee will be sponsoring 10 CUHS students to the Freemont.

Julia Rice reminded us that tonight is the **CUHS Homecoming** and **Ore** will be one of the cheerleaders. Come on out and cheer on Ore and the CUHS Football Team!

Nancy McKarney announced that there will be a **New Member Orientation** for **Andrew Boyd Goodrich** at 5:30 Wednesday, October 17 at Roger and Sue's. Please RSVP to Sue no later than Monday, October 15.

Dennis White talked with us about the push to end polio throughout the world, and our club's participation in **World Polio Day** on October 24. We're closer than ever to eradicating polio but we're not done yet. We still need funds to continue immunizations and surveillance efforts. Your gift will get us closer to the finish line.

THERE ARE JUST 33 DAYS TIL VIVA!

Sue Oberholtzer reminded us of the importance of the **Grand Raffle**. 176 tickets have been sold (out of the 431 tickets distributed and the maximum available of 500) for a total of \$8800. That gives us a minimum profit of just \$2100. This means only 35% of the tickets have been sold so far and Viva is just 29 days away! So far, 39 tickets have been turned in unsold and there are likely more out there. We are running ahead of last year in the amount of unsold tickets so this does not bode well for next year's Avenues of Service budget. see Sue O. or Sue R. if you can take more tickets. If you have sold tickets, please turn the money in a.s.a.p. to Sue O.

Julie Jenkins requested that silent auction donation forms be given to her a.s.a.p. so the items can be placed on the website. We are way behind last year especially gift certificates.

Linda Sherman said bottles of wine valued at \$45 and above are needed for the wine cooler.

THE FINE MASTER

Member Birthdays: **Mary Ann Carson** (10/5);

Sorry. No other information available.

SHERIFF'S REPORT

Sheriff Dick did not catch anyone without a pin.

PRESENTATION: DARK SKIES INITIATIVE

Janet Meyers introduced today's speakers, **Claudia Harmon Worthen** and **Frank Widmann**. Claudia and Frank are pursuing Dark Sky Certification for Cambria.

We were inspired by the [International Dark-Sky Association](http://www.darksky.org) (IDA), the leading organization combating light pollution worldwide, to pursue certification for Cambria as an International Dark Sky Community. IDA is the recognized authority for night sky protection and has taken the lead in identifying and publicizing the negative impacts of artificial light at night on human health, wildlife and the environment as a whole.

Claudia and Frank encouraged us to:

- Buy approved outdoor lighting. The IDA Fixture Seal of Approval provides objective, third-party certification for lighting that minimizes glare, reduces light trespass, and doesn't pollute the night sky.
- Support our effort to win a coveted Dark Skies Community designation. Dark Skies communities adopt quality outdoor lighting ordinances and undertake efforts to educate residents about the importance of dark skies. IDA designates Dark Sky Places following a rigorous application process requiring applicants to demonstrate robust community support for dark sky protection and document designation-specific program requirements. IDA works with certified places to promote their work through media relations, member communications, and social media. A Dark Sky Places designation helps enhance the visibility of designated locations and foster increased tourism and local economic activity.

Cambria would become only the second California community to win the designation and the first on the coast.

ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4th of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
