PRESENTATION: SUZETTE MORROW, ART EDUCATION

Superintendent, Vicki Schumacher, introduced our speaker explaining that Suzette teaches art at both the high school and middle school and consults with the grammar school. Coast Unified is very lucky to have someone of Suzette's caliber.

Suzette explained that Coast Union High School offers two Career Technology and Education Pathways (CTE): Arts, Multimedia, and Entertainment and Agriculture and

Natural Resources. In addition to the core academic curriculum provided by Coast Union, students can choose to enroll in a College and Career Pathway. Each pathway is a sequence of three courses, out of the 32 courses required for graduation. The benefits of the pathway include courses that are all California State University/University of California approved, an opportunity to earn industry certifications for employment, and membership in a national student leadership organization.

Students are encouraged to participate in community service projects such as the Youth Art Show, a juried art show in which students in grades 3-11 participate. Everyone is encouraged to attend the show which is held during the month of March at the Coast Unified District Office.

President Mike thanked Suzette for a great presentation and presented her with a plaque.

ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4th of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.

MAKING A DIFFERENCE OPPORTUNITIES

Join one of the Avenues of Service: In order to make our club **THE BEST ROTARY CLUB IN THE WORLD**, every member needs to consider helping in at least one Avenue of Service either by becoming an active committee member or volunteering to help with individual projects:

- ⇒ **Club Service:** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- ⇒ **International Service:** encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to Polio Plus to helping Rotary Youth Exchange students adjust to their host countries.
- ⇒ **Vocational Service:** involves Club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.
- ⇒ **Community Service:** is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.
- ⇒ **Youth Services:** allows Rotary to directly support our local high school, middle school and grammar school through scholarships, Interact Club support, STEM support, RYLA, Buy a Child a Book and other projects.

Work for a cause, not for applause. Live life to express, not to impress. Don't strive to make your presence noticed, just make your absence felt
