## Help Wanted

**Note Takers:** We are always looking for a few more people willing to take notes at our meetings. The more people we have signed up, the less often each of us needs to take on the task. It is not hard at all but it really helps.

**Amazon Smile:** If you shop on Amazon, consider registering with Amazon Smile. Amazon Smile is a simple and automatic way for you to support your favorite charitable organization every time you shop, at no cost to you. When you shop at [smile.amazon.com](http://smile.amazon.com), you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to your favorite charitable organization. The Rotary Club of Cambria is one of the organizations you can choose.

**Visit a Lonely Senior:** While working on Job Jar projects, **Bob Putney** has found that there are a lot of lonely people right here in our community that would love some company. If you are willing to give a little time to visit with a senior (either weekly or even monthly), let **Bob Putney** know. He will put you in touch with a group that is organizing a program.

## PRESENTATION: PROJECT HOPE AND FAIRNESS

**Barbara Burns** introduced our speaker, **Dr. Tom Neuhaus**, Cal Poly Professor Emeritus and co-founder of Mama Ganache Artisan Chocolates, Inc., who spoke about his plan for social justice in the chocolate industry. Dr. Neuhaus explained that most of the chocolate we eat is made by African child labor, many of these children are virtually slaves. In 2006, Dr. Neuhaus co-founded [Project Hope and Fairness](#), with the goal of creating a chocolate industry which does not rely on child labor and, yet returns fair profits to local cocoa farmers and chocolate manufacturers. He's focused on three cocoa-rich countries: The Ivory Coast, Ghana and Cameroon.

In The Ivory Coast, Tom selected 7 villages for what he calls his [Seven Villages Project](#), bringing cocoa processing facilities and agricultural equipment to these communities.

Tom is seeking Board members to help with the success of Project Hope and Fairness.

## ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4<sup>th</sup> Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.

### **MAKING A DIFFERENCE OPPORTUNITIES**

**Join one of the Avenues of Service:** In order to make our club **THE BEST ROTARY CLUB IN THE WORLD**, every member needs to consider helping at least one Avenue of Service either by becoming an active committee member or volunteering to help with individual projects:

- ⇒ **Club Service:** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- ⇒ **International Service:** encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to Polio Plus to helping Rotary Youth Exchange students adjust to their host countries.
- ⇒ **Vocational Service:** involves Club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.
- ⇒ **Community Service:** is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.
- ⇒ **Youth Services:** allows Rotary to directly support our local high school, middle school and grammar school through scholarships, Interact Club support, STEM support, RYLA, Buy a Child a Book and other projects.
