## **The Boys are Back in Town—Yeah Right! New Prez Wants to be Called Emperor!**

Reporting for duty... **Emperor** Dr. Jonathan Kurohara; 2016-2017 President of the Rotary Club of Simi Valley. And, judging by the grin on his face he is ready to serve. All jokes aside Jonathan kicked off his year with class. His lovely wife and First Lady Lisa Oki and son Ryan were seated at the head table. Ryan lead the club in the patriotic song with a beautiful rendition of the Star Spangled Banner on the trumpet. It did not take long for Emperor Jonathan's sense of humor to kick in ... he quickly pointed out the irony of the new RI President's last name—Germ.

The Emperor decided as his theme for the year ... **Health for Self** (he did fess up that it was his wife's idea). So what exactly does this mean? ... Remember the Rotary Minute—this is the healthy version. His first tip was on how to improve HDL ... Drink wine and eat healthy snacks, such as at dead fish and seaweed—yummy. The Emperor gets high marks for his first meeting ... It was filled with lots of laughter and love. And ... No one walked out on him — Yet!
