

WOW!! It's hard to believe that 6 months have passed in my 2020-2021 year as your president. This is intended as a brief summary of our WOW – any oversight or omission is entirely on me.

We have used Zoom for regular meetings, for board meetings, for the District Governor's visit; we have voted on motions and communicated by email; and we have made our presence known through Facebook and print media.

We got away from our desktops, laptops, tablets, and phones – to get out and do stuff.

- August – the Big Backyard Event
- September – St. Johns Conservation Area, service project for Meghan & Alex (and Declan)
- October – Pelham Farmers Market/Social at My Place, Dr. Ron Mergl Ride for Polio
- November – Drive-by baby shower, Gail's Elvis party (by daughter Tiffany), Temperanceville
- December – MEGA Rotary TV Auction; Interact Food Drive; I-C.A.N.TER Grant
