## Family FunFest Day Fundraising Event

Coming up on Saturday June 18, 2022, (Fathers' Day Weekend) the **Rotary Club of Fonthill** will host the second annual **Rotary Family FunFest** at Bissell's Hideaway Resort in Pelham.

This will be the most anticipated event of the year where visitors will have the full use of one of the most popular and delightful playground facilities found right here in Niagara - Bissell's Hideaway Resort.

Plans for this **exhilarating day of unique enjoyment for the whole family** will include: an irresistible splash pad, swimming in the gigantic one acre swimming pool with a thrilling 30' waterslide, pedal boats in the lagoon, mini golf, rock climbing and much, much more. Kids can test their skills at interactive games for prizes or learn to fly a drone. There will be bingo in the rec hall, games of skill, a myriad of interesting and unusual events for young and old, along with fantastic music provided by local bands. For lunch you can grab a Shriner's BBQ burger or hot-dog then maybe go for **a ride on a Unicorn** later in the day! Dozens of free activities and attractions will be available all day long!

**Dozens of community charities**, clubs, sports teams, environmental interest groups, health and well-being organizations, active life-style groups, athletic leagues, aquatic clubs and interests of all kinds will be represented. These groups will be invited free of charge as public service to 'show their wares', introduce the community to their organizations to inform and educate. There will be special demonstrations and lots of opportunity for visitors test and try out their services and products. Your kids can learn all about horses, test out a paddle board and paddle a kayak.

**The whole community will be invited** where a family of 4 will enjoy this full day of events and activities plus all the frivolous, frivolity they can find at Bissell's for **just \$40/family**. The goal is to raise funds that will directly benefit numerous local charities and non-profit organizations.

To promote the event there will be social media advertising, printed posters and flyers handed out. We will go to the schools, clubs and local businesses to invite their families to come **'splish, splash and have a blast'**! We'll invite every Dad to plan a Father's Day date with his kids to give Mom's a break?? Tickets will be available on Eventbrite and at the gate.

The Rotary Club of Fonthill will be **seeking sponsors** to be an integral part of this event. This unique venue will give all financial supporters an unprecedented venue for company visibility within the community and beyond at this one-of-a-kind opportunity. All our partners, participants and patrons will be encouraged to bring their friends, co-workers and their families to come and enjoy this incredible **festive day of amusement, play, pleasure and good times**.

**Family FunFest will be a wonderful, feel-good experience** for every family, local businesses, community groups, schools and charitable organizations. Please help the Rotary Club of Fonthill make a difference for many right here in our own neighbourhood. We would love to have you join us and what better way to do it? Let's talk.

Thank you.

**The Rotary Club Of Fonthill**
