New Generations Service Exchange
New Generations Service Exchange is a three-month program for university students and young professionals from ages of 23 to 30. Flexible RI requirements allow NGSE participants to have an educational exchange, a cultural exchange or do humanitarian volunteer work or have a combination of these elements. Three clubs will share hosting of each incoming student.

Cost for Clubs: No direct cost. Students pay their own airfares & insurance.

Long Term Youth Exchange
For students aged between 15 and 17 who want to spend up to twelve months living and studying overseas. All students will attend secondary school whilst in their host school, as they are on a residential student visa.

Cost for Clubs: Outbound: Club $300; Student $9,100
Inbound: $300, plus student allowance (approx. $1,560), meals at meetings and some school fees.

ConocoPhillips Science Experience
The ConocoPhillips Science Experience is a fun 3 or 4 days of science activities for Year 9 and 10 students who are interested in science. Participants perform experiments in the laboratories, meet and hear senior lecturers in the lecture theatres, attend site visits and walk around and experience what it is like to be on the campus of a university or tertiary institution.

Cost for Clubs: $180

National Youth Science Forum
The NYSF Year 12 Program is designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage them to continue their studies in these fields. Participants also take part in sessions on entrepreneurship, critical thinking, how to work together effectively, and more. The focus is not solely on academic achievements, but on developing well-rounded individuals who have the skills and confidence to determine their futures.

Cost for Clubs: $3,100 (it is encouraged that half of this is contributed to by the student)

Health of the River
The forum brings together year 9 and 10 students who are interested in river health issues, environmental science and the management of natural resources. Selected students take part in an educational program developed and run by ecologists who specialise in freshwater and floodplain ecosystems.

Cost for Clubs: TBA

Engineering Challenge
The Science and Engineering Challenge is a nationwide STEM* outreach program presented by the University of Newcastle in partnership with communities, Rotary clubs, universities and sponsors. Through the Challenge, students experience aspects of Science and Engineering which they would not usually see in their school environment.

Cost for Clubs: Support for the club and towards training expenses

RotaRact
RotaRact is a global organisation that empowers students and young professionals aged 18-30 years of age, to create positive change in their local communities and around the world. Members engage in a wide range of activities including social, professional and community events.

Cost for Clubs: Support for the club and towards training expenses

EarlyAct
EarlyAct is a school-wide service club for primary school students from ages 5 to 13. EarlyAct provides young students the opportunity for gaining an increased awareness and knowledge of their community and the world.

Rotary Youth Driver Awareness
At RYDA, students attend six interactive sessions at a dedicated venue over the course of a school day. In small peer groups, they are challenged to change the way they think about road safety; participating in a stopping distance demonstration, devising personalised strategies, gaining an understanding of their individual risk profile and getting tips from road safety experts on how to protect themselves, their friends and family.

Cost for Clubs: $30pp approx.

Rotary Adventure in Citizenship
Rotary Adventure in Citizenship (RAIC) is a program run annually in Canberra for Year 11 students that have an interest in the Australian Federal Parliament. Delegates are selected from different regions and backgrounds around Australia. It is anticipated that all selected delegates have an interest in the Australian Federal Parliament.

Cost for Clubs: $1000 (it is suggested a portion is contributed to by the student)

“One & All” Program
This program looks to co-ordinate and arrange sponsorship for worthy 15-18 year old students who would otherwise be unable to afford it on challenging, life-changing 5-day training voyages on the tall ship One & All. This program also works with the RYWELL Committee to send at risk youth and their carers on shorter voyages.

Cost for Clubs: 5-day voyage $1,100
