Dearest Rotarians:

Words cannot adequately express our gratitude for your generosity and your service. We so appreciate your sharing your time and some of the proceeds from the wonderful donation you received with Some Other Place. As many of you know, it is ONLY with local support that Some Other Place is able to serve nutritious meals to our homeless and struggling neighbors. Each day we greet a line of hungry people who turn to us for a hot meal, sack lunch, or whatever we serve each day. Seven days a week a meal is available to any who come (no questions asked)!!! None of this would be possible without support such as yours. We thank you for thinking of our mission of feeding the hungry and for thinking of those we serve.

I so enjoyed visiting with so many of you at last week's meeting. The "swan song," as it was called in my Rotary Days was delightful. I was so totally impressed with ALL the service projects you hosted and supported during this past most unusual year. You truly exemplified "Service Above Self." I have many fond memories of my days as a Rotarian and I am so pleased to know that the Beaumont Rotary Club continues to do so much GREAT work in our community and throughout the world.

Thank you for having me as your guest, thank you for the delightful entertainment and most importantly thank you for thinking of Some Other Place with this most generous monetary gift and your gift of your time. Keep up the GREAT work. May God bless.

In service,
Paula O'Neal, Director

P.S. I was so impressed that I remembered the 4 way test...I still struggle with the Texas Flag Pledge!!!
