

# Minnetonka Rotary Foundation

Minnetonka Rotary Foundation proudly supports organizations, both locally and internationally.

The Minnetonka Rotary Club is committed to, “Building Responsible Youth”, and our Foundation’s decision making reflects that commitment as well as creating a safer, stronger, and healthier community and world.

Long standing commitments to organizations doing so much in our community—Resource West, ICA Food Shelf, and Empty Bowls are among just the tip of the iceberg!

In 2018-2019 the Foundation spent over \$30,000 in support of thirty grants. The Rotary Foundation raises money through our annual Links and Libations golf scramble, beer and wine sales at the Minnetonka Summerfest, and generous personal donations.

Here is a list of past and current year recipients:
