

## WOULD YOU HOST A ROTARY YOUTH EXCHANGE STUDENT?

Would you consider opening your home and your heart to an international teenager?

This is an opportunity for your family to grow and learn as much as it is for the exchange student.

### Our incoming Rotary Youth Exchange Student:

- Is a 16-year-old boy from Spain
- Is a very happy and positive person
- Will attend Minnetonka High School
- Enjoys skiing and soccer and is an excellent student
- Wants to study economics at a University after his exchange year

### We need 3 host families:

1 from August 20 to November 30

1 from December 1 through March 15

1 from March 16 through July 1

Time frames can be flexible to suit your family's needs.

### Rotarians are happy to:

- help the student with transportation,
- include the student in various events, and
- provide the student a monthly stipend for school lunch and extracurricular activities.

Host families get proper support from Rotary AND get the chance to make lifelong international friendships without leaving Minnetonka!

Please consider this opportunity, and contact Mark Magney @ (612) 865-9297 [mark@magneyconstruction.com](mailto:mark@magneyconstruction.com) if you have questions or would like to talk about the process to become a host family in Minnetonka.

*This program is not run by Minnetonka Public Schools. Neither the school nor the District endorse the activity, but they provide equal access to sharing the information as required by federal law.*
