## SATURDAY, MARCH 2

March 2, 2024  
11:00 am - 1:30 pm

at the Chinese Cultural Center 1288 W. River Rd.

Empty Bowls is celebrating our 13th year and we hope you will join us!

Local potters create and donate beautiful handmade bowls that act as a powerful reminder of those struggling with hunger here in Tucson.

At the event, you can dine on soup, bread and desserts provided by local restaurants, enjoy musical entertainment, and attendees can also participate in a raffle and silent auction where proceeds will bring help and hope to local families.
