ANNUAL THANKSGIVING MEAL DRIVE

ANNUAL THANKSGIVING MEAL DRIVE

- Each year on Thanksgiving morning, Cupertino Rotary Club members provide complete, fully prepared meals for 150 local families in need. Each meal includes a fully cooked 9 –10-pound turkey with all of the trimming, and serves 6 to 8 people, meaning we are actually providing 800 to 1200 individual meals. The Cupertino Rotary Club Partners with local organizations: West Valley Community Services, Fremont Union School District, Cupertino Union School District, Cupertino Senior Center, and Live Oak Adult Center, to identify the families that can most benefit from this service.
