

# Call for Artists

## *Mixed Media and Assemblage Sculpture*

*Juneau-Gastineau Rotary Club calls artists to the Second Annual Fundraising Event--ARC 2021 (Assemblages Recycle Competition), to be held Saturday, April 17 at the JACC. There are several components to this event. First, a JURIED SHOW for all artists to show their recycled assemblages, steampunk, recycled art, upcycle, etc. Whatever you call your recycled art, this is a chance to show your art! And second, an assemblage build competition on the afternoon of, April 17, 2021.*

This **Call For Artists** is for a JURIED SHOW of mixed media art and sculpture. The winning entry will receive **ROUNDTRIP TICKETS FOR TWO ON ALASKA SEAPLANES\* and a FABULOUS TROPHY!**

Entries (art pieces) offered for sale will not be subject to the \$35.00 entry fee. Aligning with the JAHC fees for art sold in their shop, Juneau-Gastineau Rotary (JGR) club will take a 30% portion of the selling price. Pricing is up to the artist to determine. Each entry must include a ART TAG. The ART TAG is available with the Registration Form. If you wish, include when it was created and anything about the mixed media incorporated, that would be of interest. This need not be a new piece and it may have been included in other shows in the past. The JACC will be full of people interested in assemblage art; some building and some watching, cheering, voting and buying!

**Participants in the JURIED SHOW are asked to bring their entries to Northwind Architects, 126 Seward Street, Juneau, Alaska on Thursday, April 1 between 3:00-5:00 PM. Art pieces will be placed on display around town for First Friday from 4/2/2021, through the day of the event (4/17/2021).** Art will be moved by the JGR to the JACC for judging. **Late entries will be accepted.** Late entries must be brought to the JACC by 10:00 AM.

Judging will be held at 2:30 PM. Art pieces will be on display, and those for sale, will be for sale during the Assemblages Recycle Competition. Pieces not sold may be picked up between 4:30 PM and 5:00 PM April 17. If not picked up they may be held at the JACC until Monday afternoon, April 19 and picked up then.

We would also like to encourage entrants in the JURIED SHOW to enter and participate in the other aspect of the fundraiser, a competition to build assemblages of recycled materials. Assemble a team and participate in the fun! Teams can be loosely formed and may produce one or more pieces, individually or together as a team. All materials will be provided for the build competition. Teams need only bring tools. Get more detailed information about this fun event at [www.juneaugastineaurotary.org](http://www.juneaugastineaurotary.org) and on Facebook at ARC - Assemblages Recycle Competition.

All funds raised in this event will be used to support the community youth activities of the Juneau-Gastineau Rotary Club: Youth scholarships and recognition, Youth Leadership Awards, sponsoring inbound and outbound International Youth Exchange Students, several area playgrounds, Zach Gordon Youth Center upgrades, Family Day at the Lake.
