• **President Vince welcomed members, guests and visitors.**

- Mal Hansen proposed last week a Hay Run to drought affected areas in the northern Flinders . The Board has approved \$2000 for a Hay Run this month. Mal & Val have organised transport in conjunction with [RAWCS](#). The deal is that anything we spend (ie invoiced and receipted) is reimbursed by RAWCS in full.

- Congratulations to the Rotary Club of Campbelltown for the Salvation Army "Digital Door Knock Appeal". The members of our club donated \$2000 to this appeal. Thanks to Amanda and her committee for their initiative and setting it up and thank you to all who donated. "A great outcome".

- Last Saturday there was a working Bee at the Shed. The works are nearing completion and looking good. Thank you to all involved. We are now looking forward to sale day.
- On arrival you noticed that there is a legal form supplied by the govt in relation to cv19. Those of you that haven't filled it in or are not sure your details are down please check before you leave tonight. Also after discussions with members I have decided that it would be prudent to offer face masks to those that feel they require them. They are on the entrance table.
- Another strategic survey is being emailed this week. Have a look, fill it in and let us know what you are feeling. If you need a hard copy please contact Damian.

• **Secretary Susan Harris made the following announcements**

- Can All Director's minutes please be sent/handed to Susan by this Wednesday 12 July in readiness for the first Board meeting s next Monday 20 July.
 - We have received correspondence and a certificate of Appreciation in recognition of our sponsorship of the Paradise Primary School Social Justice Fund from Pastoral Care Worker, Rebecca Terminello.
 - Thank you for filling in venue's San Giorgio covid 19 contact tracing government requirements
- Thank you for staying 1.5m apart .

- **Fellowship Director Frank Orlando**, together with his committee are looking forward to organising some fellowship activities for the coming Rotary year. Our first function will be dinner at the [The Feathers Hotel](#) on Fri 14 Aug 7pm at 516 Glynburn Rd, Burnside. Price is Meal Cost. All welcome please RSVP by 3 Aug to Frank 0412 236 503 or text. [Google Maps](#)

- **Community Director Amanda Thomas** asked her committee to meet after the meeting to discuss an item for the Board to consider.

• **Chairman DGE Jeff Neale introduced our newly inducted member Alyssa Morran who will give her "Behind the Badge " talk.**

We welcome Alyssa Morran into the club after being inducted last week.

Alyssa grew up in Kapunda, the eldest of a set of twins.

In 2005, she was sponsored to the Rotary Youth Program of Enrichment in District 9500, which introduced her to Rotary.

Since then, she moved closer to Adelaide, working in the employment services industry. Through her employment supporting those involved in the work-for-the-dole program, she was lead to find Rotary again, applying for the Rotary Youth Leadership Awards in 2015, sponsored by the Rotary Club of Norwood.

After completing RYLA, Alyssa joined the Rotary Club of Norwood where she has served through multiple positions including:

Bulletin editor, Website master, Youth Director, Secretary, Fundraising Chair and up until 4 days ago, President.

Alyssa continued her involvement in Youth programs as a Director for two years at RYLA and Administrator for RYPEN in 2019.

I can also advise the club that Alyssa was made a Paul Harris Fellow as she completed her term as President.

Her personal interests include the arts, live music, and camping, spending time with her friends and her dog Banksy.

- **Alyssa then gave her Behind the Badge talk and shared her life story with a slide show.**

Alyssa spoke on growing up on a hobby farm in Kapunda where there was a creek and where she and her sisters played. Her parents Peter and Polly are both registered nurses after her father made a career change from mechanic. She has an older sister Haylee and a twin sister Danni and they are opposites. Danni is the quite, reserved, responsible one. While Alyssa is Alyssa loves animals especially her German shepherd dog Banksy. After school she worked in Real Estate but for over 10 years has been working in the employment services industry and was where she originally touched base with Rotary when looking for Youth programs etc.

Socially Alyssa is very gregarious so covid19 has certainly dampened that somewhat. She spoke on her interests and passions and how she makes the most of life experiences. She loves travel; road trips & camping. She joined a Karaoke club and is involved with a Theatre company –did a horror acting zombie gig; has even played a bogan and an insane person; is involved with special effects and theatre makeup. She also likes live music; has travelled o/s to Singapore, Hawaii, and Bangkok. While in Bali she climbed with friends a volcano in the early morning expecting a magnificent view but the view was

obscured by clouds. She has bungee jumped; tried eating scorpions in Asia, and would like, one day, to jump out of a plane (with a parachute of course).

Alyssa concluded that she was looking forward to getting know everyone in the club and was happy to share even more if asked.

At the conclusion of her talk Chairman Jeff thanked Alyssa for her most entertaining and informative talk and thanked her for sharing it with us.

Neal, Alyssa Morran and President Vince.

For Multi City it is \$119.99 for 21 cities in Australia, New Zealand & Bali.

All "books" purchased will last 12 months plus 2 months bonus.

You can share this purchase with 5 devices. What a bargain.

Please share this link below with families & friends.

So to purchase just go to <https://www.entertainment.com.au/orderbooks/161v645>

"Thank you for your support. " Veronica

- A note from the Secretary to all members

Firstly, where you have a partner, would he or she like to have their email address recorded so that they receive their own copy of Club communications. If so, **please advise me as soon as possible so that I may create a relevant email list for our Club records and which will be recorded on the Club's laptop which I will hand to incoming Secretary Susan.**

Secondly, in the interests of ensuring our ability to support and maintain on going contact with all Rotarians and families, **would you like your next of kin details to be recorded in case there is a need for the Club to make contact with them.** This is particularly relevant for our members who are now living on their own.

Finally, have you looked at our Club Runner website at <https://portal.clubrunner.ca/4099>

Could you please visit the website if you have not done so recently to, not only see the information there and how it can be used to promote our Club, but also **to ensure that your personal details are correct.**

If you are not sure of your login name or password, please send me an email so that I can, if necessary, reset your password and provide you with login details.

- **Club History Buffs** for copies of any club photos/info etc, please provide Sec Ralph with a USB

greater than 12GB together with a Gold Pot donation and he will happily copy them for you. **Club**

The RADIOGEM

(Patents Pending)

\$1 Receiving Set—The Simplest Radio Outfit **\$1**
 Made—Yet as Practical as the Most Expensive!

You need know absolutely nothing about wireless to operate and enjoy the RADIOGEM. It is so sturdy, so simply constructed that it is small wonder radio engineers who have tested it have pronounced the RADIOGEM a brilliant achievement. The RADIOGEM is a crystal radio receiving set for everyone at a price anyone can afford.

Why The RADIOGEM Can Be Sold For Only \$1

Here's the secret: The RADIOGEM Construction eliminates all unnecessary trimmings, cabinets and the like, which do not play any part in the operation of a set. You receive the RADIOGEM unassembled, together with a clearly written instruction book, which shows you how to quickly and easily construct the set, using only your hands and a scissor. The outfit comprises all the necessary wire, contact points, detector mineral, tube on which to wind the coil, etc., etc. The instruction book explains simply and completely the principles of radio and its graphic illustrations make the assembling of the RADIOGEM real fun. Remember the RADIOGEM is a proven, practical radio receiving set and will do anything the most expensive crystal set will do.

The RADIOGEM is the Prize Winner of the Age
 Out of hundreds of radio models submitted recently in a great nation-wide contest, radio engineers, the judges, unanimously chose the RADIOGEM as the winner—the simplest radio-receiving set made! And the RADIOGEM costs you nothing to operate; no form of local electricity is required.

DEALERS The RADIOGEM is the wonder item of the radio age. It will storm the country, for the RADIOGEM's price is so low everyone is able to buy one. Write immediately for full particulars before that shop across the street beats you to it.

- Our condolences go to Paul & Tina Eliseo. Tina's mother Cristina Longo passed away last Tuesday and her funeral is tomorrow on Wed 15 11am at St Francis Church Newton. Her funeral will be private, so if you wish to attend, please let Tina or Paul know and numbers attending & your phone number. You will then be added to the funeral director's list.
- I touched base with Dean Fleming. Meryl is currently at Estia Norwood in respite and Dean told me that they have to decide what to do when respite finishes.
- Lou Dimech had chemo Thurs and a blood transfusion on Friday. He was a bit nauseous, but bright and positive when speaking to me.
- Pat Ruotolo had a reasonable week ,with chemo, some pain and discomfort, but managed luncheon eating out with friends yesterday , so that was good to hear.
- Please keep Tony Uren in your thoughts & prayers this week as he undergoes surgery on Thursday to remove the metal from his jaw. Tony had a bad bleed last Thursday and is staying at RAH until his surgery.
- Des Collinson is caring for his wife who has had recent surgery. Des has hearing loss in his left ear and after an MRI & biopsy, he has cancer. He is to have a PET scan on Friday followed by medical appointments and Radiotherapy asap. He is being very positive and hopes to beat it as he did with his previous Leukemia.
- Milton Lewis is struggling with various injuries to his left shoulder, which is causing him quite a bit of pain. He has to undergo tests to find prospects of treatment to help him.

For all those who are unwell, under treatment or convalescing and are mentioned in this column your Rotary family are sincerely thinking of you and your loved ones as your welfare and health are of concern to us all. May you get better soon?

Friday 16-Sunday 18 April 2021- The D9510 inaugural Conference Bendigo Victoria.

The Conference Committee headed up by Rotarian Arthur Manser from the Rotary Club of St Peters is promising to deliver a dynamic line up of interesting speakers and entertainment that we know you will enjoy and provide many opportunities for fellowship.

For full details <https://vimeo.com/420651054>

After 42 years apart, our two Districts are re-joining on 1st July. Fittingly, our theme for the inaugural 9510 Conference is **Moving Forward Together**. Registrations will be open in the new Rotary year once our Districts' Club Runner databases have been merged into one. Until then we suggest you secure your plans to join us in Bendigo.

To make the Conference a great success we welcome any offers of advertising sponsorship or in kind contributions from your business networks.

Please do not hesitate to contact Conference Chair, Arthur Manser amanser@bigpond.net.au or myself if you wish to discuss.

The latest conference details will be updated on the new D9510 website and we are hoping by April 2021 our conference will be free of COVID restrictions.
