- **President Vince welcomed members, guests and those attending on Zoom.**

- **Kevin O'Neil from the Youth Committee presented a cheque for \$1,200 to Trish from the Norwood Basketball Club.** Trish thanked the Club for the grant and said it certainly will be put to good use within the club. - **Following the Sports Grant presentation President Vince made some announcements.**

- The joint Board on 21 June decided that the continued use of Zoom at physical meetings could happen to enable Rotarians to participate when ill or travelling.

This could also mean a member may apply if in a carer role for a time and unable to attend.

The preference is always for face to face meeting and opportunity for fellowship.

Please let Bruce Barnes know or Secretary Susan if you would like o Zoom into a meeting. The meeting ID and password will not be sent around to very member.

It is not always possible to trouble shoot any Zoom issues once the meeting has started. Bruce kindly uses his phone for Zoom and cannot take calls at the same time.

Our TV screen above the bar lets us know you are zooming in.

Secretary Susan's announcements

- We have received a Certificate of Appreciation from helping SA farmers with Drought Relief.
- We have also received a flyer for a free community event –“Sounds of the Sixties” at Campbelltown Function Centre 7 September 1:20-3:30pm. Contact Mario Scalzi for details and bookings (see flyer).
- Susan then announced the committee venues. The Youth committee has been postponed till next week.

- **PE & Club Services officer Stephany Martin** gave an update on the D9510 inaugural Conference Bendigo Victoria planned for Friday 16-Sunday 18 April 2021. Stephany has prebooked rooms and cabins but of course everything is dependent on covid.
- **PP/Shed Convenor Benny** said we hope to start pickups again and to have a furniture sale very soon again depending on covid. Watch this space.
- **Margaret Beare spoke on the Rotary Club of Campbelltown Hay Run to Hawker** Jim and I were privileged to be part of the hay run to Hawker last week. I would like to say how much we enjoyed conversing with the farmers who received the hay. We served them bacon and egg sandwiches, sausage and egg sandwiches, cake and biscuits. Coffee and tea and they were so appreciative.

I have not been up to the Flinders Ranges before and was really shocked at how dry it is there. Around Quorn there are some green grass but as you go further it get dryer and dryer. They have not had any rain in over 4 years and because of this they have had to cull their sheep keeping only their breeding stock.

On speaking to the farmers, we learnt that they have to buy hay to feed what is left of their sheep and one farmer said that they have no water for their home as their tanks are completely empty and each time they buy a tanker of water

it costs around \$1000. They have bore water for their sheep only.

Another farmer said that he can spend over \$1000 each time he buys hay for his sheep or cattle.

Another young farmer who came home to take over the family farm told me that the other day he had a complete meltdown crying and was just in despair over the whole situation. He then said once he had released all the stress, he found it had helped him.

I was amazed how friendly and honest these people were and even though they are doing it really hard they still had a smile on their faces and could have a laugh.

It was a pleasure to sit down with these people and share a coffee and have a chat.

They were so appreciative of the help the Rotary Club of Campbelltown has given them and could not believe that we supplied them with food for free, one man even offered to pay for the food.

It was extremely humbling to realise just how lucky we are in Adelaide when people only 5 hours away are doing it so hard. They are in a position to lose everything they have, and are most deserving of any assistance that we can afford them.

We may not be able to go on every occasion but we will most assuredly return to do the most we can.

Since being there we have received many emails thanking us and here a couple of them.

1) Hi Val & Mal,

A huge, sincere thank you to the Rotary Clubs who donated the Hay & spuds to us last Friday. It was very much appreciated & the cattle soon munched into it.

Sorry to have missed you on Friday to meet personally but will catch up next time!

We all hope there is a rain soon as the forecast is telling us, & looking forward to this coming week which they are predicting a more promising rain event.

Again many thanks for the kind gesture to everyone involved for the donated fodder.

Regards Barbara & Darryl Fels

2) Hi I would like to thank you very much for the hay today. I really appreciated it. I don't ask for help but it is just not getting any better so thank you. Cheers Di Keough

Hi Mal and Val,

Ron and I would like to thank all involved for their efforts in organising and delivering hay and providing food and refreshments at Hawker today.

I'm sure a lot of hard work went into organising today's activity.

Hopefully it is given the appreciation it deserves.

Kind regards Jenny McInnis

3) Hi there thank you very much for today it was very generous of you with the food and coffee etc

The hay was very welcome and much needed.

Once again thank you from everyone here that received some

Cheers Daniel Hatcher THEOAKS

On and ending note I would like to thank Mal and Val for organising the hay run and for giving me a chance to participate. This is what I joined Rotary for to get involved in the community whether it is in our local area, overseas project or country projects, I have greatly enjoyed this event and hoping to be able to be involved in more to come.
