• **After the invocation & Royal Toast by Sgt Brad, President Vince welcomed visitors, guests , members, & those on Zoom .**

A special welcome to guest speaker Michael Rossi and Club guests Sam Zullo, Eddie & Simon Gagliardi, Rangesh & Margesh Shah, Nathan Leach, Arthar & Firaz Yaghove.

- The Hawker Muster is set for Sat Oct 31. It is good to see a lot of members attending this and helping out on the day . As we have the shed sale on the same day we will need more hands on deck to assist there as well.

• **Secretary Susan's announcements**

- Thank you to Elizabeth Gagliardi for acting as Secretary last week.
- Thank you Jane Gascoigne who has done a wonderful job for getting the annual report together amongst all the other things she does for the Club. Thank you Jane (a round of applause)
- ~~Raffle Books for the Rotary Polio Ute Raffle are available for collection, with the deadline for sale of tickets and return of the book stubs being the 18 Dec.~~

STOP PRESS : SALE OF ROTARY POLIO UTE RAFFLE TICKETS ON HOLD TILL FURTHER NOTICE

- Reminder the Polio Plus film night to be held at 5pm Sat 31 Oct at the Regal Theatre 275 Kensington Rd , Kensington- Tickets \$15 . Tickets can be obtained by contacting D9510 Foundation Committee Chair Marie-louise Lees by email: FoundationChair@Rotary9510.org or by Phone 0408 134 363

• **Past President Benny announced the following:-**

- To reiterate what Susan has already touched on “ Thank you very much to Jane Gascoigne and past secretary Ralph Holmes for getting the annual report out. Jane has spent X amount of hours getting it all together and it is available for everyone tonight. . Well done Jane and thank you very much. Also thank you to Jeff Neale and Paradise Motors for the printing
- Thank you to Don Marcoionni for building some portable kerb ramps for the Rotary Paradise Motors Van at the Shed. That makes it so much easier for access with the van.
- If you aren't going to the Hawker Muster on Oct 31, we will need extra volunteers to help at the Shed Sale at Benjamin St Newton on the same day and the morning before for setup. Please mark your availability on the roster which will be passed around.

• **Community Director Amanda Thomas announced** that she has drawn up a roster and a list of tasks for those who are going to **the Hawker Muster on Oct 31.** Please see her to register if not done already.

• **President Elect and Services Director Stephany Martin announced the following:**

- She has had orders for 65 Club T shirts. Thank you for the great response. Payments can be made at the Club from next week or online when invoices are emailed out.
- Regarding the Roster, it is important that everyone share the load and be available to do their duty whenever possible. The Roster is needed for the following duties: - **Cashiers**, for attendance registration and collection of money; **Fellowship & Plaques** -a person to welcome members and guests and for handing out of name plaques to members and their partners; the **Stewards** who prepare

the room for the meeting and finally the **Raffle**. There have been instances recently, where members have not been able to be on the roster at all. Whilst this can be a week to week type issue, I ask that members should simply not excuse themselves from the roster on a regular basis as this is not fair to others as everyone must do their bit wherever possible and share the load. If you are on the roster please try and arrive in good time or at least $\frac{3}{4}$ hr (5:45pm) before the start of the meeting so you can prepare.

For those not on the roster you are welcome to arrive early say 5:30pm but don't expect to be able to pay until those on the roster and are ready to perform their duties. The Club advertises the meetings to start at 6pm for 6:30pm as a half hour is considered a reasonable time to pay your money, collect your raffle tickets, get a drink from the bar/ have some fellowship and find a seat.

(Editor's note: The Roster is organised so well thanks to David Munro who performs an incredible juggling act & behind the scenes job that can take at least an hour or two to compile every week and is certainly the most read /only section in the Club's weekly newsletter.)

- Steph spoke briefly about the planned SA conference to be held at Westminster School in lieu of the cancelled Victorian Bendigo Conference that was to be held in April 2021. Details TBA.
- If any members or partners have any suggestions for guest speakers please let Stephany or program Officer Hiep Nguyen know.

- **Peter Rumbelow gave an update on the Home Hosting planned for 13th November 2020**

Thanks to the hosts that have already registered though it would be great to have a few more despite host nominations officially closing on the 15th October. Hosts registered to date are the Heinrichs, Orlando's, Margaret Northcote, Margaret Beare, the Hansen's, Gail Casey, Susan Harris, Amanda Thomas & Elizabeth Gagliardi. The deadline for guest registrations will be 2nd November so that we can advise who will be going where at the meeting on 9th November.

Please return your host detail forms to Peter Rumbelow at peter@rumbelow.net, 6/46 Hill Street Campbelltown 5074 or hand them to him at a meeting on or before 15th October.

We plan to allocate guests to hosts on a blind ballot system so it will be a great opportunity to get to know both new and old club members in a relaxed environment.

- **Brad Silby announced there is a date confirmed for Rotary Youth Driver Awareness to be held at the ARC on Wednesday 17 March 2021.** He will be asking for support and volunteers to help both in the preparation prior and on the day.

- **Attendance Officer Reg Bennett had the following announcements**

- Thanked Bruce Davis for acting as attendance officer last week while he was away.
- **Unless Notified Otherwise if you are attending a meeting you are assumed to be having a meal** for catering purposes. If you do not wish to have a meal, or your guests, please let the attendance officer know beforehand so you will be classified as a NON EATER(s). You can do this on either a permanent or casual basis as long as Reg knows before the meeting (10am deadline day of meeting). This is so he can report to San Giorgio the correct numbers of people attending a meeting for meal catering purposes which ultimately equates back to the costs charged back to the Club. If you turn up to the meeting on the night and decide spontaneously not to have a MEAL (New Acronym? SPON NON?) the attendance Officer, without any pre notice of your intention, would have considered you to be there for a meal and already, on the day, notified the club as such.
- This means the club has catered for you, there is one less meal ordered than expected, with other spontaneous SPON NON'S this can blow out the numbers further and the Club may be asked to pay the shortfall in numbers.

So please do not be a SPON NON on the night but let the attendance officer know before hand that you will be a NON EATER so he can keep his crystal ball numbers generator functioning as best as possible properly . Alternatively if you are unwell or decide on the day at short notice that you will

not be eating please contact San Giorgio /venue directly bfore 10am on the day of the meeting.

○ If you know you can't attend a meeting in the future please note this in the attendance book , otherwise please notify the Attendance officer if you are an apology for the next meeting with as much notice as possible and if it is at short notice and after 10am on the day of the meeting please notify the attendance officer and most importantly the Venue directly on 8336 6600 so that catering numbers can be updated and the Club not charged for a NO SHOW.

(Reg) Stop Right There Rex

"Are you a Eater, Non Eater or a SPON NON ?

- **Bruce Barnes announced that he had received the following email from past member Sam Michelle :**

Thanks mate, you are too kind keeping me updated.

I am in the United Arab Emirates, and do enjoy reading your newsletter and keeping myself informed of the RCCs movements.

Kind Regards,

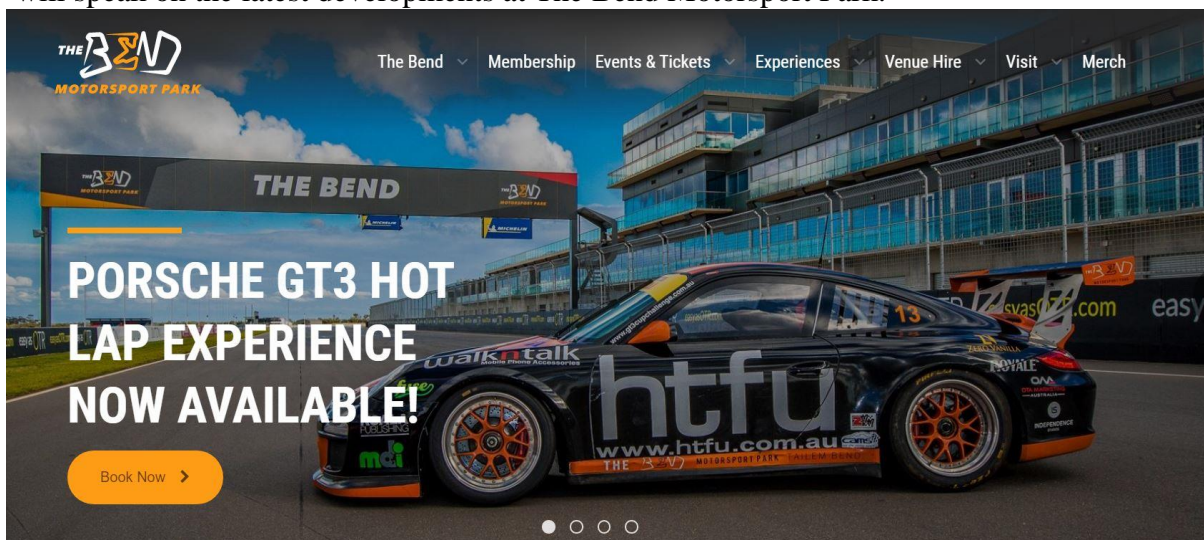

Sam

It was great to hear from Sam and we may here more of his travels in the future. I wished him well on behalf of the Club.

- **Chair Elizabeth Gagliardi introduced guest speaker Michael Rossi.**

Michael Rossi is Elizabeth's nephew and is the Marketing Manager for [The Bend Motorsport Park](#) and took on the job in March 2018 just weeks before the Venue formally opened.

Michael has 15 + years marketing and advertising experience, specialising in sport an automotive sectors, including time with Adelaide United Sports Club, Hyundai Australia and BMW. Tonight he will speak on the latest developments at The Bend Motorsport Park.

Michael said it was a pleasure to speak on The Bend Motorsport Park at Tailem Bend. It was his job to explain what The Bend was all about and encourage members to try it out and visit to see what it has to offer. He showed a photo of his two young daughters at the track on toy cars . One loves all the cars and the other says it's too noisy. When the opportunity came up to get involved with the Marketing of The Bend it was something he couldn't resist. The Bend Motorsport Park is an award winning, state of the art, world-class motorsport facility, with a range of event spaces and exhilarating experiences suitable for 20 to 200+ guests. The investment is + \$ 110 million of private

money , with State and Federal support as well. It's a 750 Ha site and is at the intersection of the Mallee and Dukes Hwy and one hour from the bottom of the freeway and it is definitely worth the drive. Construction began in November 2016 and opened to the public in 2018, It was 95% constructed by SA companies and 100% Australian. Developed and primarily funded by the Peregrine Corporation (OTR) South Australia's largest private company, owned by the Shahn family.

Th precincts still to come are a Drag Strip , an airstrip , a Business park and a Community Development. We recently had the Supercars few weeks ago. We had just 3 weeks to prepare for it that would normally take 6 months, but thanks to Covid the opportunity came our way and we were able to make the most of it and it was a fantastic event for all involved. There is motorcycle racing, local grass roots racing and all sorts and it is only going to get bigger and it is our intention to get the best events in Australia and in fact the world. The racetrack has been built to handle that. For Business you don't need to be in cars to come and enjoy what the venue has to offer. As part of our mission our job is not to just promote The Bend but to promote Tailem Bend , the local region, the Murray River Lakes and Coorong to the World. Thanks to the Bend there has been a significant amount of development. Eg Out of the Super Car Event Hotels & accommodation within a 50-100Km radius of The Bend were fully booked. That is doing great things within the Region, with Mum & Dad businesses , entrepreneurs, property investors who have taken a gamble on Tailem Bend as a result of The Bend Motorsport Park and it is already starting to pay off.

Michael showed a presentation of what The Bend has to offer and are certainly fully open for business . This includes a 4WD park , a Rally section, A Big4 Holiday Park , a full motor racing circuit, stadium circuit (for go kart ,drifting and rally cross). We have a 100 room Hotel uniquely on Pit Lane.

The track has certainly put SA and The Bend on the World Stage. There are multiple configurations . On the first Super Car Event event they had over 50,000 people over 3 days it was extraordinary. There are some stunning cars in the Hotel foyer Welcome Centre that are on display seven days a week – everything from Brock race cars , classics, modern day supercars , effectively a museum . You never know what you will see when you come for a visit or for a coffee , lunch or dinner or stay the night. Such is the size of The Bend project not only can you race cars and people can bring their own cars but we are also going to sell cars. But not just any old cars , but the best cars you can buy. For instance there is a McLaren there at the moment price tag \$2.75 mill and Michael said he would love to sell it to a Rotarian.

It is not all about fun as they do offer Corporate experiences and even bookings for upcoming Christmas parties where you can stay the night and relax afterwards and not rush to drive home.

Hotel rates are reasonable , especially out side of events . There is an great restaurant in the Hotel but due to covid restrictions is only open Thursdays to Sunday. Michael spoke on other aspects of The Bend. It is family friendly, there are track days for beginners, a training program for young drivers,driver and ride experiences ,there are memberships available, you can buy gift vouchers for different events and experiences, and so much more.....

< Picture of Michael Rossi at The Bend with his father Carman Rossi.

At the conclusion of his talk Michel answered any questions and was thanked by President Vince for his amazing presentation and sharing with us this exciting world class project that everyone should visit and be proud of.

Possum's Page (Gd'Day Possums –this is your page-contributions welcome)

Roses are in flower so why not make some homemade Rose Syrup ?.

Recipe Here <https://www.archanaskitchen.com/homemade-rose-syrup-recipe>

The Homemade Rose Syrup Recipe is a simple recipe with no additives, coloring or preservatives. The rose syrup is made from fresh rose petals, that are dried and then made into a syrup by boiling it in water. You can also use a store dried petals to make the rose syrup. The Rose Syrup can be used in Ice creams, Milkshakes or Juices or even made into the classic Rose Milk for summers.

Cuisine: Indian Equipment's Used: Preethi Blue Leaf Mixer Grinder, Saucepan With Handle (Tea/Sauces)
Prep in 15 M ; Cooks in 20 M ; Makes: 200 ml Servings

Ingredients

1/2 cup Rose Petals , dried red rose petals
2 cups Water
1 Cloves (Laung)
1-1/2 cups Sugar

How to make How to Make Homemade Rose Syrup Recipe

To begin making the homemade rose syrup recipe, we will first clean and dry the fresh rose petals. Skip the following process if you are using store bought dried rose petals.

If they are fresh petals then clean rose petals in running water. Dry the rose petals completely and place them on kitchen paper towels. We will dry the rose petals in room temperature on the paper towels. The process of drying will take a couple of days. After a couple of days, you will notice the rose petals have become crisp and dry. When you touch them they will break apart.

Once the petals are dry, we are ready to make the rose syrup. If you bought the store bought petals you can use it at this stage.

Boil the water in a saucepan. Place the petals in a glass bowl and pour the boiled water on top of the petals, stir for a few seconds. Allow the rose petals to rest in the water until the water cools down. Once the petals cool down, refrigerate the petals and water filled bowl for 12 to 15 hours.

Next day, strain the water into a saucepan (your rose water will be dark red). Place the saucepan on medium heat. Add the sugar and clove to the rose water. Keep stirring to dissolve the sugar. As it heats up you will the water frothing on the top.

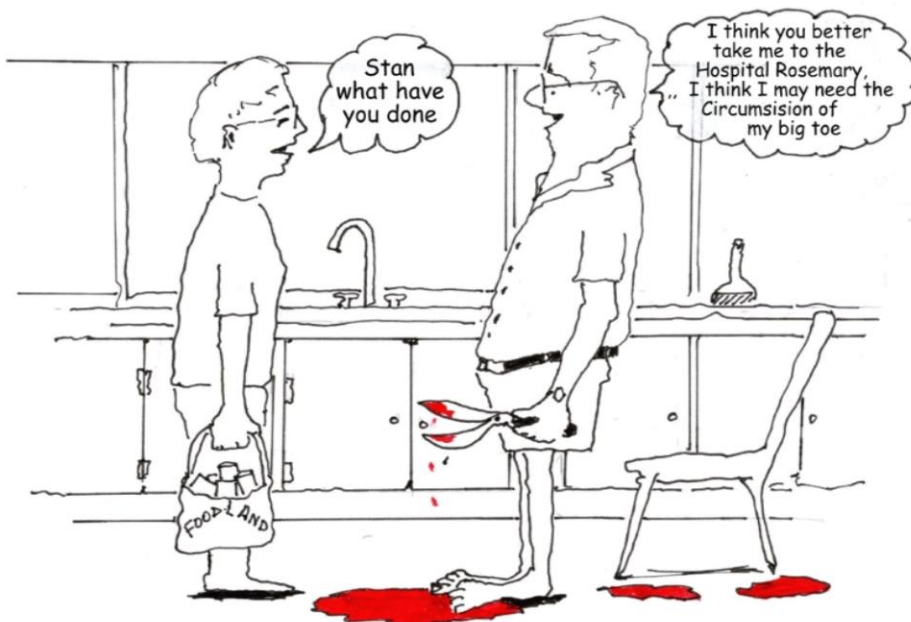

Gradually the foam will go away as the water begins to boil. Once the water begins to boil, turn the heat to low and simmer for 10 minutes and turn off the heat.

Allow the Rose Syrup to cool completely. The syrup will thicken as it cools down.

The Rose Syrup is now ready to be used in Ice creams, Milkshakes or Juices or even the classic Rose Milk. You can store the Rose Syrup in a glass bottle and refrigerate it for at least 2 months.

I AM WOMAN is the story of Helen Reddy, who in 1966 landed in New York with her three-year-old daughter, a suitcase and \$230 in her pocket. Within weeks she was broke. She was one of the biggest superstars of her time, and an icon of the 1970s feminist movement, who wrote a song which galvanised a generation of women to fight for change

DROUGHT MUSTER - HAWKER & BEYOND.

A small handful of Hawker locals with the assistance of myself and my wife and members of the Rotary Club of Campbelltown, are putting together a DROUGHT MUSTER, October the 31st, to be held at the Hawker Sports Club, from 2 pm to 10pm. This is for the struggling drought affected people from Craddock to Copley and all points in between For young and old residents.

This is to be a **FREE event**, we are hoping that in some small way we can alleviate some of the Mental stress that these folk are going through. We anticipate over 400 attendees.

They have been affected by drought for over 4 years now.

There will be a sausage sizzle running in the afternoon. The Rotary Club of Mt Barker will have a donut machine operating also. Then a free evening meal will be organised by the Rotary Club of Campbelltown. Entertainers will be playing the entire time.

This is to be ran along the lines of a mini Field Day, with displays and information on all aspects of being a Pastoralist. There will be an emphasis on Health & Well being with blood pressure and diabetes checks and Mental Health practitioners in attendance.

Each of our drought stricken families will be given 3 FREE Raffle tickets. A ticket (or 2), will be drawn each hour, with a choice of prizes. We see that this is something to bring a smile to the otherwise drawn faces.

We are appealing for donations of anything that can be used as a raffle prize. Such things as - power tools, gardening tools, household items, vehicle accessories, Working Dog food and necessary items, Fruit and Vegetable gift packs, drink packages, even work clothes, cleaning products, and personal products etc. Anything that can be put to good use.

CAN YOU, or your business, HELP IN SOME WAY? - ALL DONATIONS GRATEFULLY ACCEPTED
