Jim Elwood Slover
1953-2020

Jim Slover was a member of Topeka South Rotary from 1998-2016. Jim was a Topeka High and Washburn University graduate ('79) with a degree in Nursing. He was the owner of HealthCheck for more than 25 years. While with TSR Jim was an active member and lived the Rotary motto of "Service above Self". Jim was a regular volunteer for the many TSR projects, Lets Help, and assisted with programming. Jim may be best remembered, however, for being one of the leaders in the Sail-A-Way fundraisers held each Summer for several years donating his time and his sailboat for the event.

Jim moved to Boise, Idaho in 2015 and continued his Rotary service with the Boise Rotary Club where he was active in their many Club events and received their Lifetime Achievement Award in 2020 – their highest Club honor.

Jim will further be remembered for his love of cars, sailboats, politics, and for never holding a grudge. He is survived by two daughters – Mary Lynn Almond of Olathe, KS. And Emily Ann Slover of Topeka, KS., three grandchildren and two step grandchildren. Jim's ashes were spread in the mountain wilderness of Idaho. He requested that any memorials be made to either the Topeka South or Boise Rotary Clubs.
