### A FANTASTIC ROTARY FOUNDATION GALA

I would like to acknowledge and thank District Governor Sandi Schwartz and her team for putting together such a Fantastic Rotary Foundation Gala! The evening event was held at the Bakersfield Museum of Art and the evening was a beautiful autumn evening with a perfect temperature... Perfect planning by the Gala Committee.

The event focused on all the many things the clubs are doing through the Rotary Foundation, and was highlighted by presentations from Rotary International Vice President and Rotary International President's Representative John Matthews, and Rotary Foundation Representative Steven Solomon telling of the ways in which the Foundation has touched and changed their lives.

Major Donor Recognition to Susan and Al Eaton being accepted by Susan's sisters, Jeanie and Joanie.

### **NOVEMBER IS ROTARY FOUNDATION MONTH!**

With November being Rotary Foundation Month, I would like to hear about all the things your clubs are doing to bring awareness and to celebrate all that the Rotary Foundation has done to assist your clubs in "Changing Lives". Please send me those stories!

### Rotary Foundation Peace Scholar Selected

Congratulations to Terrence Stevenson for being selected our newest Rotary Foundation Peace Fellow for 2018! This program is highly competitive, and very few applicants are given this award. Terrence will be studying at the University of Bradford, and we will be running an article on him in the near future.

### BECOME A PEACEBUILDER CLUB

Rotarians have always been Peacebuilders. The Rotary International Vision Statement tells us that Rotarians "see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves". In today's challenging times, Rotarians also have the ability to create lasting peace. Waging peace means eliminating its inhibitors:

- Internal Conflicts
- Extreme Poverty
- Hopelessness
- Injustice and Inequality
- Lack of Human Rights

Rotary District 5240, a Peacebuilder District, has established the Peacebuilder Club program to encourage the Rotary clubs in our district to learn more about peace and to use their time, treasure, and talent to create peace in their local communities and in communities around the world.

Becoming a Peacebuilder Club consists of five steps:

- Select a Peace Chair and notify the District Peacebuilder Club Chair
- Hold a club or group program focused on peace
- Support a Peace project in your local community
- Support a Peace Project in an international community
- Inform the District Peacebuilder Club Chair that you have completed the requirements

For more information or to have someone visit your club to explain the Peacebuilder Club Program, visit the District Peace Page. Go to <a href="www.rotarydistrict5240.org">www.rotarydistrict5240.org</a> Select District Then Peace Page. You can also send an email to the Peacebuilder Club team at <a href="mailto:peacebuilderclubs@district5240.org">peacebuilderclubs@district5240.org</a>.

Remember, you are not responsible for peace in the world. You are responsible for your piece of peace. Rotary, with 1.2 Million members world wide can do what no other organization can – bring ordinary people together to resolve conflicts and improve the conditions for those who need help the most.

Become a Peacebuilder Club. Wage Peace!

### The Rotary Foundation Month 2018-19

November is Foundation Month on the Rotary calendar. It is the time of the year when *Every Rotarian Every Year* thinks about the good works that Rotary is accomplishing throughout the world and decides how he or she should support that effort with a financial contribution.

The Rotary Foundation, the nonprofit organization that received the highest possible score by Charity Navigator (100 out of 100) and was named as the *World's Outstanding Foundation*" by the Association of Fundraising Professionals. Last year, Rotarians contributed a total of \$414.7 million to TRF. These contributions raised the assets of The Rotary Foundation to nearly \$3 billion.

There are many ways that you can contribute to the work of **The Rotary Foundation**. The Rotary Foundation is funded in two different ways: The Annual Fund and the Endowment Fund.

As the primary source of unrestricted support for the programs of The Rotary Foundation, the **Annual Fund** supports programs in more than 200 geographical regions. From digging clean water wells for villages in Africa to reaching basic literacy skills to children in Latin America, during any given moment in a day, thousands of Rotarians volunteer their time and expertise to ensure that all contributions given to the Annual Fund are spent wisely on quality Rotary projects. "To ensure that the funds for the projects are there when needed," says Past RI President Ron Burton, "all contributions to the Foundation's Annual Fund are invested for three years." When the three years period is up, the investment earnings of your gift go toward the operating expenses of the Foundation. Your principal is split 50/50, with half going to our District Designated Fund and half going into the World Fund, a pool that the Trustees of The Rotary Foundation use to match grants where they are most needed. 91% of the money the Foundation spends goes to programs and grants, with only 9% of expenses going toward administration.

The Rotary Foundation spends charitable contributions on multiple programs and grants. From the eradication of Polio to scholarships, vocational training teams, Rotary Peace Centers,

and Humanitarian projects. The funds are used for programs and projects Rotarians feel passionate about. With 1.2 million Rotarians over-seeing the funds at a grassroots level you can have confidence that are funds through Rotary are in amazing hands doing amazing work here and abroad.

Through the first quarter of 2018-19, District 5240 is slightly ahead of last year with 15% of members contributing \$81,273. Our goal is EREY of 100%. Let's make it happen!

Rotary also provides the opportunity for donors to give to The Rotary Foundation through their estate planning. Individuals and couples can make provisions within their will or trust to name Rotary as a beneficiary of a disbursement of cash, stock, life insurance policy or retirement plan upon their death. Rotary recognizes such generous planning with the following:

Benefactor Individuals who have made Rotary's Endowment Fund a beneficiary in

their estate plans or who have made an outright gift of \$1,000 or more to

the Endowment Fund.

Beguest Society Individuals or couples who commit not less than \$10,000 in an estate plan

to The Rotary Foundation.

People are often surprised to learn that they can make a gift and achieve special benefits, such as a tax deduction, lifetime payments, payment rates higher than a CD or dividends, future financial security, and capital gains tax avoidance – all in one gift. Life income gifts come in several shapes and sizes to meet many donors' goals and needs, and all of them offer appropriate Major Donor and Arch C. Klump Society recognition. The goal for our District is to add at least one new Bequest Society member per club during 2018-19.

### TEAM ROTARY: A REPORT BY DENNIS JOHNS

Before joining Rotary, I occasionally volunteered for a variety of non-profit events around town. My activities were well-intended but sporadic at best. Nevertheless, it was clear that I had an innate desire for community service. In addition, once a year, I would gather requests for donations received in the mail and select my preferred recipients and dole out what I thought I could afford to give.

The reason I joined Rotary was because I recognized the inefficiency of my method of volunteering and giving. When I learned what Rotary clubs in town were doing locally and internationally and how The Rotary Foundation was making all that possible, I realized the strength in numbers that Rotary represents. Although this is rational and obvious to just about anyone who considers it, it is not an easy message to convey, especially to young adults who communicate primarily in abbreviated text (lol, wtf, imo, lmk, etc.).

Surveys of younger generations reveal that the innate desire for community service still exists in a large segment of our population. Unfortunately, those same surveys also note that individuals of this segment are not "joiners" and communicate in ways other than meetings. Both of these characteristics are in direct conflict with Rotary, so is there a way to overcome this obstacle?

Rotary must deliver this message to this population in a way that it can be accepted and absorbed. Thus was born TEAM ROTARY (TR). Currently TR is made up of 26 members of the Rotary Club of SB Sunrise. Each month we identify events (usually fundraisers) that other non-profit organizations are conducting, and we offer ourselves as volunteers for that event. We try to target events that have significant public exposure as each TR member wears a Rotary hat and a TR vest for identification. Ideally we will be circulating with the population we want to

get our message to i.e. other volunteers who have that innate desire for community service.

In addition to providing community service, we interface with our target audience and the occasional inquiry from a young person will inevitably come up: "What is Rotary all about?" Thus opens the door for a meaningful dialogue about the efficiencies that Rotary International and The Rotary Foundation provide.

Anyone who has gotten themselves on the circulating "Donor's Mailing List" must appreciate knowing exactly how and where their donations are being used. The monthly public exposure of TR reinforces Rotary's commitment to the community beyond the occasional individual club project that may get some media coverage which ironically none of the younger generations read about anyway.

This is not an immediate solution to the dwindling membership of Rotary but it has taken decades to get us where we are today and it may take a similar amount of time to reverse the trend. One thing is sure, we need to continue to reshape our image in the community, we need young adult membership, and we cannot deliver our valuable message in the conventional way. The good news is that even though we all joined Rotary for a variety of reasons, we've stayed in Rotary for the camaraderie and our community impact. If we can get them in the door, they'll stay due to the shared interest and the recognition of strength of numbers that Rotary International and The Rotary Foundation represents.

If you would like more information on how TEAM ROTARY is organized and how it can work for your club, please contact Dennis Johns <a href="mailto:sbmesasailor@gmail.com">sbmesasailor@gmail.com</a> or 805-770-0614.

### District 5240 Polio Plus Society

At our District Rotary Foundation Gala, the new Polio Plus Society will be rolled out. In order to qualify, you will be asked to pledge to contribute \$100 annually to the Rotary Foundation's Polio Plus Program. We will be offering a "Polio Plus Society" pin to show your support to our #1 Priority of the eradication of Polio.

Please consider doing your part and join the many others that are signing up to be a Charter member of the Polio Plus Society.

To ensure accuracy of this report, communicate all changes to RI as soon as they become effective, using MyRotary, the Membership Data Form, or your club or district database if it is integrated with RI. The Rotary Foundation cannot update membership information. Be sure to notify your District Governor and update club records.

Year-end membership figures are received from Rotary International records and will change for prior years if the membership information is updated

This report displays a club's current progress toward becoming a 100% Foundation Giving Club; an Every Rotarian, Every Year Club; and the Top Three Per Capita in Annual Fund Giving banner recognitions. This is only a status report. Banner recipients listed here may fluctuate due to changes in membership and additional or redistributed contributions. Final certification is processed by The Rotary Foundation following the close of the Rotary Year. Banners normally ship to current District Governors in late September to mid-October.

In response to cVDPV2 detection, the country continues to conduct acute flaccid paralysis surveillance strengthening activities including enhanced active surveillance visits and community sampling. The programme has also carried out an extensive search for type 2 containing vaccines (tOPV/mOPV2) in the areas surrounding where the virus is detected. At the same time, outbreak response to WPV1 continues, including efforts to address surveillance and immunity gaps in parts of Borno state.
