## By PDG Frank Ortiz, District Rotary Foundation Chair

Fellow Rotarians; in this final month of the 2020-2021 Rotary Year; I want to thank our Clubs and Club Foundation Chairs for their work in keeping The Rotary Foundation in our hearts and minds. If you need to make that final contribution, this link will get you the contacts and forms you need from our District Rotary Foundation Committee, should you need some assistance:

One of the key outcomes resulting in our contributions to TRF, is that it makes a great difference with searching out and developing Global Grants initiated from the 71 Clubs in our District 5240. This chart will give you a snapshot as to the Global Grants initiated in the 2020-2021 Rotary year from the Clubs in our District 5240:
