| 10 | SYM Nyafula | 1.049 | Ready by mid Dec 2025 |

***Grand total of 16.230 pupils and 328 teachers/staff***

**Phase I:** The two pilot school Jamhuri and Nyanza were officially opened in May 2024. They are since that date operational and during the visit they are well used, clean and in good shape.

**Phase II:** The schools Kanindo, Sahwa, Karume and Buzuruga C&D are in its final stage. Finalization like placement of logo's, soap dispensers, ratiba ya usafi and taps will be done in the upcoming weeks. Hygiene training of the Hygiene clubs and staff on Hygiene and daily O&M will be done in the month of October 2025.

**Phase III:** The schools Bujingwa, Mandela, Isenga C and Nyafula are in the construction phase. It is expected that construction activities will end mid December 2025. It is planned that Hygiene and daily O&M trainings will also take place in December 2025. By the beginning of school year 2026 the WaSH facilities will be operational.
