WHAT ARE DISASTER RESPONSE GRANTS?

When communities are affected by catastrophes, The Rotary Foundation supports relief and recovery efforts through grants from the Rotary Disaster Response Fund.

Disaster response grants of up to US$25,000 fund relief and recovery efforts in areas that have had a natural disaster within the past six months. These efforts can include providing basic items such as water, food, medicine, and clothing.

Districts that have had a disaster and are qualified to receive Rotary grants can apply for a grant to launch their own projects or work with established relief organizations.

Think about how you want to take part in grant programs. Which one interests you?
