Important Items!

- **Rotarian leadership and commitment:**

District 6540 commits, a year in advance, to a \$20,000-\$30,000 investment into our youth for a leadership camp known as RYLA. This only happens because of your Rotary club's continued support of this program. Thank you! We are counting on you! This is the 35th year of RYLA in our district. It has been a big investment but believe me, ***the return on investment has been enormous!*** An estimated 3,000+ teens have attended RYLA over the years. Each of these RYLA delegates was sent by a Rotarian, like you. A Rotarian who cared enough to get involved so that they could have a lasting impact on the next generation. Why? It is what leaders do. It is the heart of a Rotarian. Will your club participate this year and continue this legacy?

- **Quotes from RYLA Alumni:**

If you don't do anything else, read the quotes on page 19. Seriously, I dare you! 😊

- **Due dates:**

See RYLA Time Table, page 9. Please commit to accomplishing each item before the due date.

- **Online forms:**

All forms are to be submitted online to us at the district. Links are updated every year. Only use the links in this year's RYLA Club Packet.

- **No refunds:**

No refunds! This has been the policy since RYLA's inception. Your club is expected, at minimum, to follow through with its commitment per your club's RYLA Chair Report. You may send equal to or more than what you submit on your RYLA Chair Report, but not less. To avoid losing out on fees, select alternates in case your delegates cannot attend!

- **Useful items in this packet:**

- Press Releases and Letters and Information for School Principals and Guidance Counselors are meant to make your job easier and gets your Rotary club some good publicity! These can be edited if you wish.
- Some clubs use a paper application for their interview process. Therefore, the old (pre-online) paper application (page 20) is for your club only IF you want to use it. Many clubs do not use a paper application for interviews or their selection process. Increasingly, many clubs use their own online application that matches the district's, this makes for an easy copy and paste district submission. In the end, online applications for each of your RYLA delegates must be submitted to the district through the link provided in this RYLA Club Packet at rylaapplication.rotary6540.org. It is up to your RYLA Committee to decide if either you or your delegate will submit the online application!

- **Interview & Selection Process:**

Every club selects RYLA delegates differently. Your club gets to choose how this is done! Your club can select kids to attend RYLA from many sources. Here are a few ideas:

Quick Steps!

Here are some quick steps to guide you through this process!

1. **Send this information to your club's RYLA Committee RIGHT NOW.**

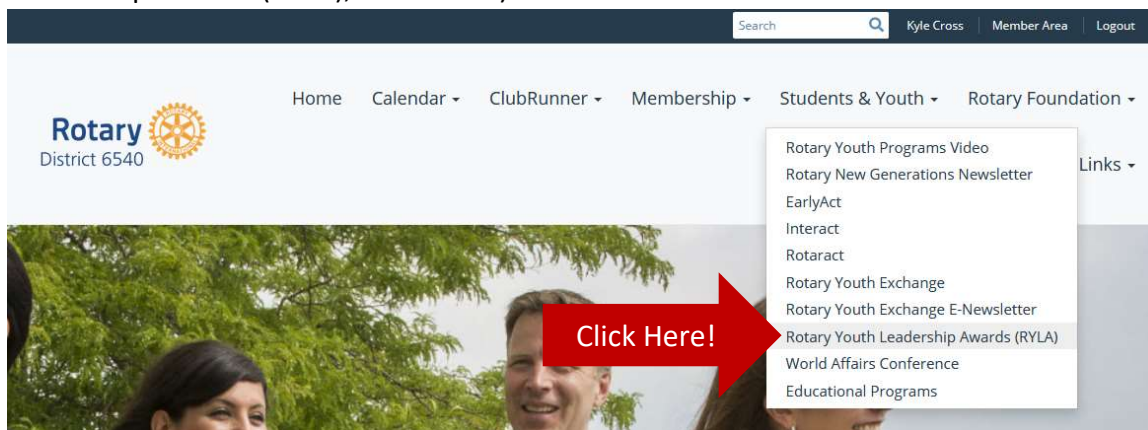

Helpful Tip!

Check your Rotary Club's budget and decide how many students you plan to send to RYLA this year.

a. Club Presidents Read the **Club President Letter** on page 7!

b. RYLA Committees Read the **RYLA Committee Letter** on page 8!

2. Read through this entire packet and become familiar with it as things have changed this year!
3. Pay attention to the strict deadlines on the RYLA Time Table, page 9.
4. Check out the district's website where all the pertinent RYLA links and files can be found, ryla.rotary6540.org. (You can also get to the RYLA page from the district website, www.rotary6540.org by clicking on Students & Youth, then click Rotary Youth Leadership Awards (RYLA), see below.)

5. **Complete and return the RYLA Chair Report. The deadline for submitting your RYLA Chair Report is February 2nd! The RYLA Chair Report is now online at rylachairreport.rotary6540.org!** Or you can go to the RYLA page on the district website at ryla.rotary6540.org. Then, click on RYLA Chair Report in the "links" section on the left-hand side of the page. Complete every question and hit submit at the bottom of the page.

6. **Submit applications and health forms with waivers online at ryla.rotary6540.org!** This is another big change with online registration this year.

RYLA - (Camp

This is a 2-step process, please have your students complete the following:

- i. **The online application must be completed either by a Rotarian OR the FINAL RYLA delegates that your club selects to attend RYLA.** You can find this form at rylaapplication.rotary6540.org. The application still asks who the sponsoring club is, name of local RYLA Chair, and the Chair's contact info. Plan accordingly for who will fill this out. **A 'copy of responses' will be sent to the email address on the top line of the form. Most Chairs will want their address entered here to know when the application is submitted. Plan accordingly!**

Helpful Tip!

If your club has candidates submit a paper version of the application for the interview process (see page 16) we suggest you make a copy of this hand-written application so it can quickly and identically be submitted online.

- ii. **Last, the Health Form & Release must be completed by the student & their parent/guardian.** There is a link at the bottom of the application, above the "submit" button, for the Health Form and Release. It will take the person filling out the form to another website where they need to complete the Health Form and Release. The Health Form and Release can also be found at rylahealthformandrelease.rotary6540.org.

All forms need to be completed and payment received before students will be considered enrolled to RYLA. All information is needed to know how to contact the students, guardians, emergency contacts, administer medicine, deal with allergies, etc.

RYLA Chair Report

After reading through this packet and paying close attention to the due dates in the Time Table, **complete and return the RYLA Chair Report. The deadline for submitting your RYLA Chair Report is February 2nd!**

The Purpose

RYLA Chair Report lets us know who your Rotary club's RYLA Chair or contact person is and their contact info.

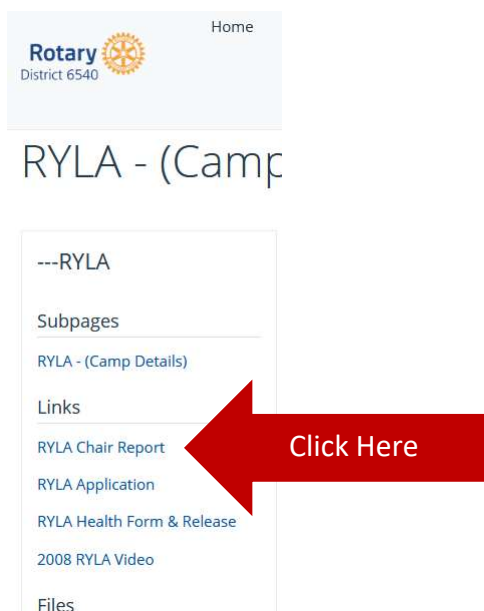

It also tells us how many students your Rotary Club will be sending to the RYLA camp this year. The amount your club owes for RYLA is based on this RYLA Chair Report. Think of the Chair Report as the "RYLA RSVP" for your Rotary club. We have a limited number of campers who can attend this amazing camp and it is on a first come, first serve basis. Be sure and turn this form in ASAP. If it is not submitted on time, the camp could fill up and your Rotary club could miss their chance to change the lives of future leaders in their community!

You also must click "Agree" to following the District 6540 Youth Services Policy (Article 11) to submit this form. A copy of Article 11 is in this RYLA Club Packet.

How to submit the Chair Report

The RYLA Chair Report can be filled out online! This is the direct link to the page.
rylachairreport.rotary6540.org.

You can also find the online RYLA Chair Report by going to our RYLA page of the district website, ryla.rotary6540.org. Click on Chair Report. Then complete every question and hit submit at the bottom of the page.

Rotary District 6540 Youth Services Policy from District By-laws

ARTICLE 11 – YOUTH POLICY

11.1. Statement of Conduct for Working with Youth

Rotary strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouses and partners, and other volunteers must safeguard the children and young people they come into contact with and protect them from physical, sexual, and emotional abuse.

Given the extent of Rotary activities, any adult (Rotarian and non-Rotarian) who is involved in any Rotary sponsored program (Rotary Youth Programs) must be willing to undergo a criminal background and reference check, without reservation or parameter. This includes any activity associated with any Rotary youth program, collectively or separately, including but not limited to Rotary Youth Exchange, Rotary Youth Leadership Awards, Interact, EarlyAct, Speech Contest, Rotary Students, Rotary Scholars, or any Rotary endorsed mentoring program.

Further, anyone involved in such youth activity should expect and Clubs are authorized to do such a background check at least annually. If common knowledge is such that a person has been charged by a law enforcement agency of violating a trusted youth relationship, they shall be removed from any and all activity concerning Rotary youth programs pending the outcome of any related charges.

It is highly suggested that a person within each Rotary Club serve as a "Youth Liaison" and maintain records on ALL individuals engaged in youth connected activities for a period of at least 10 years. This includes persons, including but not limited to committee members, host families, club counselors, drivers, etc. Each person must complete and sign a Youth Volunteer Affidavit and agree to undergo a criminal background and reference check.

It is also suggested that one-on-one contact with an adult/young person be avoided to limit the opportunity for or the accusation of inappropriate behavior. The best circumstance would ensure that all activities and travel involve at least two unrelated adults.

11.2 Compliance with Youth Protection Laws and Reporting

Every Rotarian in every club must be diligent and steadfast in protecting all youth engaged in club and/or district activities. Compliance with all state and federal Youth Protection Laws is required.

Any Rotary Club involved with a child/young person who has made an allegation against a Rotarian or other adult while traveling, visiting or attending a Rotary event must report it to the District Governor immediately upon discovery. In addition, Rotary International provides the following guidelines for addressing such an issue:

- A. An independent and thorough investigation must be made into any claims of sexual abuse or harassment.
- B. Any adult involved in a Rotary youth program against whom an allegation of sexual abuse or harassment is made must be removed from all contact with youth until the matter is resolved.
- C. Any allegation of abuse must be immediately reported to the appropriate law enforcement agency, in accordance with RI's zero-tolerance policy.
- D. A club must terminate the membership of and prohibit the involvement of any Rotarian or non-Rotarian who admits to, is convicted of or is otherwise found to have engaged in sexual abuse or harassment of a

Rotary youth student. A club may not grant membership to a person who is known to have engaged in sexual abuse or harassment.

- E. If an investigation into a claim of sexual abuse or harassment is inconclusive, then additional safeguards must be put in place to assure the protection of any youth with whom the individual may have future contact. Such measures should include, at a minimum, the adult being prohibited both by rule and practice, of being alone with any young person interacting on Rotary business.

Regardless of proven criminal or civil guilt on the second accusation, the adult will not be allowed to interact or engage with any youth within a Rotary context. A person who is accused but the charges are absolved may apply to be reinstated to participate in youth programs.

Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position or be allowed to have contact with the youth. (November 2006 Mtg., Bd. Dec. 72)

11.3 Travel by Youth

It is encouraged and expected that Rotary clubs be involved with various activities involving young people both locally and at the district, state, zone, and international levels. Travel to and from these events must be governed by all youth protection policies and written procedures. Such policies will govern ALL activities including those for the Youth Exchange program.

Rotary Clubs are encouraged to limit travel extended by Rotarians to students to a minimum. If possible, rely on teachers, parents, grandparents, etc. to transport students. Rotarians should be used as a last resort.

If students are transported by Rotarians, the Club is required to have an established process for determining the worthiness of volunteers, including but not limited to, a volunteer application; proof of auto insurance; a criminal and driving record background check, and other reasonable means deemed appropriate by the Club to ensure youth are protected from harm while in their care. If the Rotarian is employed by a public school system, it is assumed that the school's youth program is sufficient and no further action is required.

- A. Written permission slips must be signed by the parents or guardians of all youth participants for all travel extended by a Rotarian or Rotary program. Such permission slip should relay that the Rotarian providing transport is not a professional driver and Rotary retains no liability. Additional information regarding emergency medical care should also be requested. *See attached sample. Copies of the permission slips should be retained by the adult in charge of the student as well as the Club Secretary, per previously stated guidelines in this policy.
- B. Rotarians transporting students must be free of significant past driving infractions or impaired driving charges. Anyone known to have had a DUI (Driving Under the Influence {of drugs or alcohol}), OWI (Operating while intoxicated), reckless driving, or other such charge within the past 5 years shall be PROHIBITED from transporting students or young people. Review of Rotarian driver records should be kept up to date via newsfeeds, common knowledge, and/or formal background checks at least annually.
- C. All parents or legal guardians are to be given complete details regarding the program, location, travel itineraries, sleeping accommodations and contact information of the responsible adults associated with the program BEFORE departure.
- D. If travel is more than 150 miles away from the home club, each young person must obtain travel insurance to include medical coverage, emergency medical evacuation, repatriation of remains, and legal liability, as applicable, in amounts satisfactory to the club or district organizing the activity or event, with coverage from the time of the minor's departure from his/her residence until their return home.

This is Rotary Youth Leadership Awards (RYLA)

(Information for Principals, Guidance Counselors, and Interact Sponsors)

History

RYLA began in District 960, Queensland, Australia.

By 1966, the Rotary Youth Leadership Award program had spread to two more districts. Then it "took off" and within another three years, it was being operated in every district in Australia and New Zealand.

In 1971, Rotarians from Australia and New Zealand cheered enthusiastically when the Rotary International president announced, at the International Convention in Sydney, that RYLA had been adopted by the board of Rotary International as an official youth program.

RYLA seminars are being conducted now in many countries. Our Rotary District 6540 (northern 1/3 of Indiana) has conducted RYLA for over 30 years!

Objectives

To demonstrate Rotary's respect and concern for youth.

To encourage, assist, and train leaders in responsible and effective youth leadership.

To encourage continued and stronger leadership of youth by youth

To publicly recognize the high qualities of youth who are rendering service to their communities as young leaders.

The Award

RYLA is not a normal type of award.

The Rotary Youth Leadership Award entitles the recipient to take part in the annual **RYLA camp** as the **guest** of their local Rotary Club.

Apart from attending the RYLA camp, the awardees receive a **certificate** to mark the occasion and will be **invited to their sponsoring Rotary Club** before and after the camp. The camp is a Friday through Sunday live-in program conducted by **highly trained, experienced leaders representing a wide range of vocations.**

What is the Rotary Youth Leadership Award?

(Information for students)

To become a RYLA delegate you must show leadership potential in your school, church, extracurricular activities, or your community. You must be recommended by your principal, guidance counselor, or a Rotarian for an interview by your local Rotary Club RYLA Committee who will select the delegates and alternates.

If you are selected, you will attend your local Rotary Club to become acquainted with the local Rotarians and get a better understanding about Rotary.

Your transportation to and from the camp, and all expenses, will be provided by your local Rotary Club. The camp will take place April 19th – April 21st 2024.

You must (and will want to) attend the ENTIRE camp. You will experience three exciting days making new friends, learning, competing, and having fun while working to increase your leadership abilities.

You will hear from outstanding humorists and speakers.

You will participate in networking, leadership development exercises, group dynamics and team building initiatives, and problem solving. This series of mentally and physically challenging situations build group cohesiveness and character, and will give you the opportunity to use your humor, intellect, and problem solving skills.

You will attend and participate in a campfire and be in group skits.

You will not, however, get much sleep!

We are working with up to 58 Rotary clubs, 130 students, 15 Camp Tecumseh staff members, 7 speakers, and 1 Rotary District Governor in an effort to accomplish this great camp for your youth! RYLA is staffed by carefully selected professional adult counselors. There are separate cabins for boys and girls.

Get an application from your principal, guidance counselor, or a Rotarian.

You, too, can experience the adventure!

Really, this is serious fun!

What will you get out of the RYLA experience?

For security purposes, you may bring a cell phone with you, but please don't use it at camp (except for pictures!). We want you to have a great time with no outside distractions.

Students must attend the entire camp.

Camp Tecumseh is located about 20 miles north of Lafayette, off State Road 18.

From Delphi: Follow State Road 18 west. Cross the Tippecanoe River and turn north (right) at the first road (Springboro Road). This road will take you up a winding hill. Go about 1/2 mile to the first road to the right, County Road 425 (Tecumseh Bend). Follow this road to the second camp entrance.

From Brookston: Follow State Road 18 east about 5 miles. Just before you come to the Tippecanoe River, turn north (left) onto Springboro Road. Then follow directions above.
