

### Litter Pick-Up Safety Reminders:

- Always follow local COVID-19 guidelines
- Wear appropriate hiking attire – closed toe shoes, dress for the weather – and bring along water, snacks, sun protection, a map, and other items to keep you safe and comfortable while hiking
- Avoid hiking in extreme heat or weather conditions
- Remain on the trail and be aware of surroundings
- Wear gloves, or use tongs or a litter grabber, to handle litter, and wash hands after completing a litter pick up
- Hike with another person when possible
- **Sharps/Syringes:** Please do not pick up sharps, syringes or other items of that nature – if you come across something, local contact numbers have been shared on the form for clean up of these kinds of items

After completing your litter pick up and filling out this form, be sure to submit this information to the BTC by completing the online litter data collection form: <https://forms.gle/6m921N8Pd278kGb29>

Date of Pick Up: \_\_\_\_\_ Location: \_\_\_\_\_

Item Type	Quantity
