## Rotary Club of Turramurra - Moree Project

The Principal of Moree East Public School, Lorinda Potter, invited me and my colleagues to a 'Thank you Celebration' at the school on the 20<sup>th</sup> July. Two clubs, Chatswood/Roseville and Turramurra had co-sponsored two market umbrellas to provide much needed shade in the play area. It was officially, **'The Opening of the Umbrellas'** and nine members from the two clubs travelled to Moree for the event.

The celebration started with a group of students giving the 'welcome to country' in their Gamilaraay language; Lorinda thanked us, not only for the umbrellas, but also for the 'Books in Homes' sponsored by six clubs and two Districts last year and 67 iPads originally from Abbotsleigh School.

We wound up the umbrellas that had been beautifully decorated with the students' Art work. A 'thank you' cake was presented and Peony, the teacher who manages Books in Homes at the school, and I cut the cake together.

The next night, the group was invited to join members of the Rotary Club of Moree for dinner at a local restaurant.

On Friday, the 22<sup>nd</sup> July, the group was privileged to join the school for the culmination of their NAIDOC activities. The day started with a whole School Assembly; students gave the 'welcome to country' and sang the National Anthem in their own language and Uncle Matt, the school's aboriginal support, played the didgeridoo. Students showed and talked about the work they had been doing, all related to their culture.

In the afternoon, the students enjoyed a variety of cultural activities – stories of the boomerang and didgeridoo by Uncle Matt; face painting and art, craft and music activities.

It was an unforgettable three days.

The next goal is to sponsor the literacy program, 'Books in Homes' for 2023. Any support would be greatly appreciated.
