

VALE TOM DRAKE-BROCKMAN

Rotary Club of Galston

Tom Drake-Brockman was a Co-Founder and Ambassador of the Australian Indigenous Education Foundation (AIEF).

In lieu of flowers, Tom's family would appreciate a donation in his memory to AIEF, which provides scholarship funding for Indigenous students to complete Year 12 or tertiary studies, with career support to help them make a successful transition to employment. AIEF's mission is to empower young Indigenous people to build a brighter future for themselves and for the nation.

We know that Tom would be beaming with pride at the success of his vision and legacy being celebrated in a one hour AIEF documentary on Sky News on 10 December 2020.
