Director Identification Number Legislation

This is being administered by the ATO.

Do Rotary Club Directors require an ID Number?

Advice from Rotary International South Pacific Philippines Office (RISPPPO)

Most clubs in Australia are not required to comply with this new initiative.

People who don't need a director ID

You don't need a director ID if you're:

- a company secretary but not a director
- acting as an external administrator of a company
- running a business as a sole trader or partnership
- referred to as a 'director' in your job title but have not been appointed as a director under the Corporations Act or the CATSI Act
- a director of a registered charity with an organisation type that is not registered with ASIC to operate throughout Australia
- an officer of an unincorporated association, cooperative or incorporated association established under state or territory legislation, unless the organisation is also a registered Australian body.

Some Districts will have to, and RISPPPO will work with those that do.
