

Vale Don Landers

Rotary Club of Northbridge

28 Nov 1934 to 9.1.23

We have some sad news that Don Landers, Rotary Club of Northbridge, passed away on Monday 9th January.

President Rob Coote has passed on to Shush and the family our Club's condolences and thoughts at this time and have offered any assistance that we may provide.

Don was a founding member of our Northbridge Rotary Club, having been inducted into the Club at its Charter on December 3rd, 1983. During this time, he has spent many years serving on our Club Board, serving as Honorary Club Secretary, and as Public Officer at various intervals between 1991 and 2017. He was a Paul Harris Fellow +2, and received a Presidential Citation in the 2016-17 year. Overall, he was a great friend and mentor for many individuals, both within the Club and in the Community. His recent passing will be felt by many of us.

The Club will be organising flowers to be sent to Shush today.

President Rob Coote has been advised that a Funeral for Don will be held on Thursday 19th January. Further details will be confirmed as soon as we are advised.

Rob Coote

President

The Rotary Club of Northbridge Inc.
