The poster features a dark blue background with a large, colorful 'SOKS' logo in the center. The 'O' is a multi-colored circle. Below the logo, the text 'Save Our Kids from suicide' is written in a mix of yellow, orange, and white. At the top, there are three circular images: two boys hugging, a girl smiling, and a boy looking down. At the bottom, there is a red banner with white text, and logos for Rotary Club of Gosford North and Lifeline Central Coast NSW.

SOKS

Save Our Kids from suicide

Suicide claims 9 Australian lives every day, and is the leading cause of death among people aged 15-44*

Youth suicide is a major issue on the Central Coast. The SOKS Project facilitates suicide prevention programs through our partners Lifeline.

SOKS is a Project of the Rotary Club of Gosford North

Rotary Club of Gosford North  **Lifeline** Central Coast NSW 

*Source: AIHW National Mortality Database

The poster has a dark blue background with four colored brushstrokes containing statistics. Below these is a red banner with a call to action, and a QR code for donations.

In the last 10 years, SOKS has raised over \$1 million which has funded suicide prevention and youth enrichment programs that have resulted in:

- Over **900** lives saved as a direct result of our suicide prevention programs*
- Over **6,000** people trained via our suicide prevention programs
- Over **350** suicide prevention programs funded by SOKS
- Over **200** young people attended leadership programs

Become a SOKS Angel

We can only continue our work through the generous support of people like you, our SOKS Angels. Please support us so we can continue making a real difference in our community.

Every \$1,000 we raise contributes to another life saved*

Donations can be made via our website, or simply scan the QR code.

Rotary Club of Lane Cove - The Journey of PDG Lindsay May OAM

PDG Lindsay May's journey on Kialoa II. – Sydney, Australia to Falmouth, UK via “the Horn” - currently diverted to Papeete, Tahiti for urgent sailing gear repairs.

From this week's Kialoa's log entries:

21 Mar – Course 055 / Speed 7kts / Wind 105 16kts

It's a better day. Breeze angle slightly less unhelpful, we've been able to make a bit more east than north, holding onto the hope that we can skirt under a patch of strongly adverse current. Clouds has identified for us and which we've highlighted on our routing software with a big red box – here be sea monsters. Still on starboard tack and still mainly heeled at about 15-20 degrees which makes everything from cleaning your teeth to doing the washing up a challenge, to say nothing of putting one of the galley cupboard doors back on after its hinge pulled out. Sitting on the floor with epoxy glue and matchsticks refilling the screw holes while bouncing around in a head sea is entertaining. Anyway, success. Door back on, full set of new screws down the piano hinge, you wouldn't know it had pulled off. Life at sea, eh?

[You can track Kialoa's journey here . . .](#)

It's Not Just a Cookbook

A tribute to Irene Reid
