

## Rotary Club of Chatswood International Celebrated Their 11th Changeover

October 27 was a night of excitement in Chatswood as the Rotary Club of Chatswood International emerged from lockdown and celebrated their 11th changeover. Past Pres Julian McVittie handed over the chain of office to former President Maria Chan. Maria has been busy during lockdown recruiting new members and dusting off some former ones, resulting in 13 additional Rotarians amongst our number.

Special guest was PDG Danny Low OAM and his wife Angeline who were fully conversant with the correct protocol to feed the two Chinese Lions, part of the dance performance by the Chinese Community Lion Troupe.
