Project L.E.M.U.R - LIFT EVERY MALAGASY UP ROTARY (for the people of Madagascar) (Click on heading for info.)

Dear fellow Rotarians,

Gosford North Rotary Club on the Central Coast has supported the wonderful people of Madagascar for over 10 years. Cyclones, drought, starvation & lack of water has devastated Madagascar & its people for many years.

Our club has visited there some 7 times delivering aid by way of three forty foot containers including much needed medical aid. I was deployed there three times as a ShelterBox response team member delivering many ShelterBoxes to the remote areas in southern Madagascar after a devastating cyclone in 2011. Due to our advancing years, we are not able to physically visit there again, however, we are still financially supporting a family & school.

The Rotary Club of Southern Mitchell, Victoria has taken up the challenge to continue where we left off. I am forwarding you details so you may continue to financially support this wonderful RAWCS project.
