

Dear District 7190 Rotarians

We hope you'll join us at the 2018 Foundation Event Dinner "LIGHTS, CAMERA, ACTION" to be held Thursday, November 8, 2018 at the Glen Sanders Mansion at One Glen Avenue in Scotia. A cocktail hour with cash bar will start at 6pm, and dinner will be served at 7pm. Dress will be cocktail attire (or dress as your favorite movie star).

**Mary Beth Growney Selene will honor us as our keynote speaker this year. Mary Beth is a Trustee of the Rotary Foundation and a past Director of Rotary International.** She is a very interesting and dynamic speaker you are sure to enjoy.

Our meal will consist of salad, roasted and sliced tenderloin of beef with a shallot cabernet demi glaze, fingerling

potatoes, and grilled asparagus. A vegetarian option is also available – crispy eggplant with fresh tomatoes, garlic, basil puree, mozzarella, ricotta and pecorino served with capellini nest. Desert will be assorted platters of pastries, cookies & cupcakes.

Individual tickets this year will be \$150 with a guarantee of at least \$90 of the cost of the ticket going directly to your personal Foundation Share Account. Couples tickets are priced at \$250 with a guarantee of at least \$65 per person (\$130) from the tickets going into the Foundation Share accounts of the purchasers. The Couples guaranteed amount can go to either of the attendee's Foundation Share Accounts, or can be split so both receive money into their Foundation Share Account.

Make your reservations on or before October 31 **(no exceptions, please)** and pay for tickets at the District 7190 Club Runner website [by clicking here](#). Checks payable to District 7190 may be mailed to Sue Austin, 435 Bolt Rd, Scotia, New York 12302
