## Message from the District Governor: Dr Stella Anyangwe

Fellow Rotarians, Rotaractors and Friends of Rotary, May is the penultimate month in the Rotary Year, and it has been truly hectic! We continued to carry out routine Rotary duties, even as we kept up with support for flood-ravaged KZN Province in D9370.

A shout out to RC Johannesburg North Central for sponsoring yet another Interact club this month, in addition to the one sponsored last month!

The much-awaited Building Better Businesses Symposium (BBB) of the Townships Project was a huge success, with dozens of young entrepreneurs from various townships gaining knowledge and mentorship from seasoned Rotarians and others. Our trusted international partner, Martha Deacon, was of great support, as were several Rotary Clubs in the District. Kudos to them all.

Training was carried out, and successfully too. RLI training for Parts 1,2,3 and A, B, C were very well attended, and thanks go to District Trainer Wendy and her Team.

The first-ever POETS in Portuguese also took place in Maputo, in collaboration with D9210, with whom D9400 shares Mozambique. Now all incoming Presidents and Officers of Rotary clubs in D9400 have received a thorough briefing on the year of service that they will be starting on 1<sup>st</sup> July 2022. Bravo to DGE Koekie and her counterpart of D9210 for making this a possibility.

It is sad news indeed that this month, another wild polio virus case surfaced in Tete Province, Central Mozambique, and linked to the case in Malawi, and both traced to a case in Pakistan thousands of kilometers away. We therefore continue to warn the world that if one country still has circulating wild polio virus, all countries are at risk. The only answer is wide scale vaccination against polio.

My visit to the Rotary clubs in Botswana (25<sup>th</sup>-28<sup>th</sup> May) was a huge success, and during which I visited some amazing projects undertaken by Rotary and Rotaract clubs. I also attended the 50<sup>th</sup> anniversary celebrations of the RC Gaborone, in the presence of a Friendship Exchange group from the USA that was visiting the club. It was indeed a memorable occasion.

## Mensagem Da Governadora Do Distrito: Dr Stella Anyangwe

Companheiros Rotários, Rotaractors e Amigos do Rotary, Maio é o penúltimo mês do Ano Rotário e na realidade foi éctico! Continuámos a realizar as tarefas Rotárias de rotina, mesmo se tal foi feito em simultâneo com dar-se apoio à Província de KZN, no D9370, assolada por cheias.

*A DG Stella e a DGA Marilyn na Conferencia Distrital das Anns 2022*

Reconhecimento ao RC de Johannesburg North Central por este mês apoiar um outro Interact Club, adicionalmente ao que foi apoiado no mês passado.

O tão esperado Simpósio Fazendo Melhores Negócios (BBB) do Projecto de Bairros Suburbanos foi um grande sucesso, com dúzias de jovens empresários de vários bairros a obterem conhecimento e mentoria de vários rotários e outras pessoas com experiência. Uma nossa parceira de renome, Martha Deacon, foi de grande apoio, assim como vários Clubes Rotários no Distrito. Bem hajam!

As formações foram realizadas e com sucesso. A formação do RLI das Partes 1, 2, 3 e A, B, C tiveram boa participação e agradecemos à Formadora Distrital Wendy e sua Equipa.

A primeiríssima Formação de POETS em Português também teve lugar em Maputo no D9400 com a colaboração do D9210 que também integra parte de Moçambique. Assim, todos os Presidentes e Oficiais dos Rotary Clubs do D9400 receberam um sumário profundo das suas obrigações anuais que terão início a 1 de Julho de 2022. Bravo à DGE Kookie e sua contraparte do D9210 por terem tornado possível este facto.

É uma triste notícia que este mês, um outro caso de pólio vírus selvagem tenha surgido na Província de Tete, centro de Moçambique, ligado ao caso de Malawi e ambos relacionados com o caso do Paquistão a milhares de quilómetros de distância. Por isso, continuamos a aconselhar ao mundo de que se um país ainda tem o vírus selvagem em circulação, todos os países estão em risco. A única resposta é a vacinação em massa contra a pólio.

A minha visita aos clubes Rotários do Botswana (25-28 de Maio) foi um grande sucesso, e durante a qual visitei alguns projectos incríveis realizados pelos Clubes Rotários e Rotaract Clubes. Também participei nas celebrações do 50<sup>o</sup> aniversário do RC Gaborone, na presença de um grupo de Friendship Exchange dos EUA que estava de visita ao clube. Foi, na realidade, uma ocasião memorável.

Our D9400 District Conference is around the corner, and we are good to go. I encourage our Rotarians and Rotaractors that haven't yet done so to register, especially now that we've reduced the full registration fee for Rotaractors to R1,000, and that the Forever Resorts have offered a 20% reduction in room rates for all.

To protect yourself and others, remember to get vaccinated and boosted against COVID-19. We will enforce strict COVID-19 prevention protocols at the venue during the conference.

It is our moral and social duty to do so, to protect ourselves and others. It is the truth; it is fair to all concerned; it will build goodwill and better friendships; it is beneficial to all concerned. Let's live by our Rotary 4-way Test.

A nossa Conferência do Distrito D9400 está próxima, e estamos prontos a participar. Encorajo os nossos Rotários e Rotaractors que ainda não o fizeram para se registar, particularmente agora que reduzimos o pacote completo de registo para 1.000 randes e que o Forever Resorts oferece a todos uma redução de 20% por quarto.

Para cada um se proteger e a todos, lembrem-se de ser vacinados contra o COVID 19 e de fazer a dose de reforço. Durante a Conferência, vamos manter protocolos rígidos de prevenção contra a COVID 19 na área.

É nossa obrigação moral e social fazê-lo, para nos protegermos e aos outros. É a verdade; é justo para todos os interessados; irá criar boa vontade e melhores amizades; será benéfico para todos os interessados. Vamos viver segundo a Prova Quádrupla.

# JUNE is ROTARY FELLOWSHIPS MONTH

**JUNE IS ROTARY FELLOWSHIPS MONTH.** Rotary Fellowships are international, independently organized groups of Rotarians, Rotary partners, and Rotaractors who share a common recreational interest or vocation. This month is recognition of the opportunity to have fun, make new friends around the world and enhance the experience of Rotary that belonging to a Rotary Fellowship enables.

Rotary Fellowships began informally in 1928 when a group of Rotarians with an interest in Esperanto joined together. In 1947, Rotarians organized a group of boating enthusiasts, which became the Yachting Fellowship.

This joining together to share common interests and activities gained attention and operated over the years under various names as World Fellowship Activities; International Vocational Contact Groups; Rotary Recreational and Vocational Fellowships; and finally Rotary Fellowships.

**THERE ARE CURRENTLY OVER 61 DIFFERENT ROTARY FELLOWSHIPS.**

**THE ACTIVITIES OF THE ROTARY FELLOWSHIPS VARY WIDELY:**

Some groups come together around hobbies or special interests. Others are based on common vocations. Some Fellowships are purely social while others use their fellowship for service projects. To find more information go to: [www.rotary.org/fellowships](http://www.rotary.org/fellowships)

Benefits of Rotary Fellowships:

- Enable Rotarians to make lasting friendships outside their own club, district or country
- Contribute to the advancement of Rotary's public image and identity
- Serve as an incentive for joining Rotary and for continuing as a member

Each fellowship functions independently of Rotary International, establishing its own rules, dues requirements, and administrative structure. Each Fellowship must maintain a membership base representing at least 3 Countries. Membership is open to Rotarians, spouses of Rotarians and Rotaractors. Each Fellowship elects at least 3 Officers to oversee the group's operations. Fellowships are expected to facilitate communication amongst their members and to maintain regular communication with Rotary International.

## International Chess Fellowship for Rotarians

One of Rotary's many Fellowships which regularly attracts Rotarians around the globe as competitors is the International Chess Fellowship for Rotarians (ICFR).

**Cornelia Raath-Lotter** of D9400 recently participated in the ICFR Swiss Tournament over 5 rounds and finished in second place and tied with David Smith and Anton Koncnik. They all had 4 points each. ICFR members all enjoyed the games and Rotary friendships. They can now set up a new tournament or wait until September for the next competition.

## OTHER ACHIEVEMENTS in RY2021-22

- DG Newsletter now has a Portuguese version of the DG's message, as well as the 4-way test in various vernacular languages of the District.
- Highly successful Presidential Conference in Maputo, the first ever in a Lusophone African country. RI President Shekhar in attendance.
- First ever Portuguese language POETS (in collaboration with D9210).
- Greater diversity in the new members inducted into most Rotary clubs (younger, multi-racial, female, differently-abled).
- Blossoming of Rotary Community Corps
- Massive support provided by D9400 Rotarians to D9370 during July 2021 civil unrest and March-April 2022 floods.

## CHALLENGES

- Small, non-growing clubs
- Hard economic times for Rotarians / dues and other financial requirements
- Fireside chat inadequacies / chasing numbers

## COUNCIL ON LEGISLATION

Council of Legislation dealt with 94 Enactments; only 29 were adopted.

All Club Presidents have received notifications of these Enactments. The necessary Opposition to Legislation Report Form was sent with the notification.

- 1 July 2022** New legislation takes effect.
- 1 August 2022** Deadline for Clubs wanting to oppose enactments
- 1 October 2022** Publication of updated Manual of Procedure if no objections are received.
- 30 June 2022** Deadline for proposing Resolutions and submitting after confirmation from Governor. Resolutions deal with the Rotary World and not the Rotary Constitution.

### THE MOST ESSENTIAL ADOPTED ENACTMENTS:

- Board to provide written minutes to Club members within 30 days of meeting.
- Satellite Club is a potential Club whose members are also members of a Club.
- Rotaractors can be members of RI Committees.
- Removal of Past Officer Status for cause Rotarian will be given opportunity to provide reasons why should not be done.
- Allow Rotaractors to attend Rotary Club meetings.
- Remove the attendance report requirements.
- Amend the Avenues of Service to include positive peace.
- Board may change the Boundaries of a district if fewer than 20 clubs of 1,100 Rotarians

Increase per capita dues of up \$5,5 over a 3½ year period:

\$35-50 in 2022/2023 per half year; \$37-50 in 2023/2024; \$39-25 in 2024; \$41 in 2025/2026

# GOVERNANCE REPORT

## THE BOARD OF THE NON-PROFIT ORGANISATION (NPC)

For past year the Board was made up of the following seven directors, namely four Governors - IPDG Annemarie Mostert; DG Stella Anyangwe; DGE Koekie Makunyane-Quashie and DGN Riana Pretorius. DGND George Senosha joined the board in observer status for past 5 months. IPDG Annemarie Mostert is the Chair of the District RI Programmes. Three members were co-opted to complement the skills on the board, namely PDG Grant Daly; PP Kgabo Ralebepa & AG Bruno do Amaral. NPC Board for next year consists of a total of seven: IPDG Stella Anyangwe; DG Koekie Makunyane-Quashie; DGE Riana Pretorius; DGN George Senosha plus co-opted members PP Jean Bernardo & two others.

- Receive and consider all District committee reports including Financial; Membership; Public Image; Community Service; International Service; Foundation; Training; etc.
- Receive and consider all DG reports.
- Deal and grapple with the following specific extra ordinary matters:
- Membership took centre stage in terms of strategy to grow.
- Continue with planning of establishment of an Exhibition Centre
- Closure of clubs Middelburg Cycad RC, Warmbaths RC
- Reconstituting the district Finance Committee
- RLI Divisional Leader appointment
- Election of DGND
- Youth Exchange activities – VAT opinion
- Management and budgeting of DDF
- Numerous other minor matters brought to the attention of the board.
- Areas that remain a challenge:
  - Set up effective structure for activities in 7<sup>th</sup> Area of Focus
  - Integration and inclusion of Rotaract

## DISTRICT 9400 PROGRAMMES NPC

D9400 Board of Directors and 4 Committee Chairs:

These programmes are club driven, and although quite different, have an important common factor; they relate to “*what’s in it for me*”, the WIFM factor.

- IPDG Annemarie Mostert: Chairperson
- AG Jean Bernardo: Vice-Chairperson
- PP Saul Chitate: Finance Director
- DG Dr Stella Anyangwe
- DGE Koekie Makunyane-Quashie
- DGN Riana Pretorius

### D9400 Committee Chairs 2021/2022:

- Friendship Exchange Chairperson: Felicity Jones
- RYLA Chairperson: Cheryl Havenga
- Youth Exchange Chairperson: Terry Cannon
- Interact Chairperson: Jacqui Hlongwane
- Legal: PDG Annie Steijn
- District Secretary: Alice Meyer

### D9400 Programme NPC is duly constituted.

- Held regular meetings during the year & decisions recorded.
- Bank account for Youth Exchange opened and signatures are in place.
- Application for BPO status for this NPC is in process.
- Youth Exchange chair and legal advisors are finalising the Crisis Management Plan.
- An Independent Audit Firm has been appointed to audit Youth Exchange financials for the periods 2018 – 2021.
- All exchange programmes will reassume exchanges in the 2022/2023 Rotary year.

*“Caring for and serving others is the best way to live because it changes not only other people’s lives, but also our own”.*

## ENGAGING MEMBERS AND DELIVERING VALUE IN YOUR ROTARY CLUB

### Help your club thrive:

1. Work with your club leadership team to take the [Club Health Check](#). This interactive guide asks you to review elements of your club like the club experience, service and socials, members, public image, and business and operations. Then decide which areas need the most attention.
2. Learn from [clubs in your region](#) that are changing the experience they offer by engaging their members, conducting meaningful projects, and trying new ideas.
3. Share what you’ve learned about the health of your club and ask members for their ideas. Lasting change happens when everyone works toward the same goals. When you’ve developed a plan, you can customize this [slide presentation](#) to explain it during a club meeting.

If you haven’t yet explored the [Club Planning Assistant](#), it’s available anytime, and you can revisit it as often as you like. Remember that the knowledge and expertise of your district leadership team, especially your district membership chair, is another valuable resource.

# LEARN MORE ABOUT ROTARY GRANTS

## Easier-to-use grant terms and conditions

The grant terms and conditions have been updated and separated into two documents: one for [district grants](#) and one for [global grants](#). This will alleviate some confusion and make it easier to find the specific information you're looking for.

[A Guide to Global Grants](#) helps members who want to apply for a global grant or develop more effective and sustainable service projects. You can take steps to receive your global grant payments faster by making sure that the name of the account you enter into the [Grant Center](#) is an exact match with the name on the bank account. Also note that grant payments for club-sponsored projects need to be directed to club-controlled accounts, and grant payments for district-sponsored projects need to be directed to district-controlled accounts.

## Apply for the Programs of Scale grant

If your club or district project has proved its success and is ready to be expanded, consider applying for the next Programs of Scale grant. Every year, this grant awards \$2 million to a well-developed, evidence-based program led by Rotary members in collaboration with experienced partner organizations. The 2022-23 Programs of Scale application will be available by 10 June. Clubs and districts have until 1 August to submit concept notes summarizing their project's results, partnerships, and goals.

[Learn more about applying for the grant](#) and find resources to strengthen your local and international projects. The recipient of the 2022 Programs of Scale grant will be announced during the [Rotary International Convention](#).

## Rotary Action Groups Annual Report now available

In 2020-21, Rotary's 27 Action Groups (RAGs) brought together 34,000 members and friends across more than 150 countries in support of more than 2,400 service projects. They also raised nearly \$1 million to fund projects. [Download the annual action group report](#) to learn more.

Rotarian Action Groups help Rotary clubs plan and carry out community development and humanitarian service projects in their area of expertise. The groups are organized by Rotarians and Rotaractors who are proficient, and have a passion for service, in a particular field.

Membership is open to Rotarians, their family members as well as participants and alumni of all Rotary and Foundation programs. Non-Rotarians can also be members of RAGs. Each group functions independently of Rotary International, establishing its own rules, dues requirements, & administrative structure.

# First polio outbreak in 30 years in Mozambique

Thanks to ongoing disease surveillance, the Global Polio Laboratory Network (GPLN) has [confirmed](#) that a child in the north-eastern Tête province, Mozambique, was paralyzed by type 1 wild poliovirus (WPV1). This marks the second imported case of wild poliovirus in southern Africa this year, following an outbreak in Malawi in mid-February.

The single case so far, is the country's first since 1992. The infected child began experiencing onset of paralysis in late March. The newly confirmed case is linked to a strain that had been circulating in Pakistan in 2019, similar to the case reported in Malawi earlier this year, the World Health Organization (WHO) noted.

*Polio is transmitted mainly via contaminated water and food, or through contact form an infected person. The virus can cause paralysis, which is sometimes fatal. It cannot be cured, but infection can be prevented by vaccination.*

Africa was declared free of indigenous wild polio in August 2020 after eliminating all forms of wild polio from the region. The cases in Mozambique and Malawi do not affect Africa's wild poliovirus-free certification, because the virus strain is not indigenous, WHO stressed.

"The detection of another case of wild polio virus in Africa is greatly concerning, even if it's unsurprising, given the recent outbreak in Malawi. However, it shows how dangerous this virus is and how quickly it can spread," said Dr Matshidiso Moeti, WHO Regional Director for Africa.

Yet when Michel Zaffran became director of Polio Eradication at the World Health Organization in 2016, the forecast for crossing the finish line on a three-decade-long mission was optimistic. "We thought that Africa was out of the woods," he says, "and we would just be focusing on Pakistan and Afghanistan."

Michel Zaffran, WHO Director of Polio Eradication

And then, a storm of setbacks: outbreaks in multiple WHO regions, a new proliferation of vaccine misinformation, a rogue vaccine-derived strain, and the COVID-19 pandemic, which temporarily halted vital door-to-door immunizations.

However, during Zaffran's tenure, remarkable progress was achieved: The worldwide eradication of type 3 poliovirus. The certification of wild polio eradication in WHO's African region. A brighter outlook for Afghanistan and Pakistan. And the onboarding of Gavi, the Vaccine Alliance, as a full partner in the Global Polio Eradication Initiative — a major development in financing the inactivated polio vaccine (IPV).

## ROTARY AND COMMUNITY ECONOMIC DEVELOPMENT

In communities around the world, families struggle to meet their needs for food, shelter, work, and economic security. The mission of the Rotary Action Group for Community Economic Development (RAGCED) is to be a source of knowledge and expertise that helps Rotarians plan, implement and manage impactful and sustainable economic development projects that create lasting change in poor and underserved communities.

The RAGCED global network of experts is ready to help you create successful, impactful and sustainable projects that create opportunities by investing in communities!

Nearly 800 million people live on less than \$1.90 a day. Rotary members are passionate about providing sustainable solutions to poverty. Our members and our foundation work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

[RAGCED](#) creates opportunities by investing in communities. It provides training and access to well-paying jobs and financial management institutions. We create opportunities to help individuals and communities thrive financially and socially.

The Rotarian Action Group for Microfinance and Community Development, which is closely aligned with RAGCED, has posted a series of [useful documents](#) in the run-up to the [2022 International Convention](#).

## Inter-District Portuguese POETS – D9210, D9350, D9400

An Inter-District Portuguese Presidents & Officers Elect Training Seminar (POETS) was held for three southern Africa districts – D9210, D9350, D9400

This event was prompted by the fact that each of our Districts has Portuguese-speaking countries incorporated within the Rotary district boundaries. POETS in Portuguese was facilitated by Portuguese speaking members from the District.

Discussions started as far back as 2021 between the three District Governors Elect (DGE).

The event was well-attended - 22 trainees, three DGEs and three trainers from each District. The content proved to be beneficial and led to a better understanding of all present. The three Districts are exploring more partnership and collaboration opportunities.

# Support for Ukraine:

## Rotary International & RAG for Peace

Rotary International and The Rotary Foundation stand with the United Nations General Assembly in expressing grave concern at “the ongoing human rights and humanitarian crisis in Ukraine, in particular at the reports of violations and abuses of human rights and violations of international humanitarian law by the Russian Federation.”

As a global humanitarian organization, Rotary takes a proactive stance toward peace-making by addressing the underlying causes of conflict. We support recent UN General Assembly resolutions calling for an immediate ceasefire and withdrawal of Russian military forces from Ukraine. This aligns with Rotary’s deep commitment to promoting peace through dialogue and conflict resolution.

We are working beside our partners in the international relief community to help provide resources to the more than 10 million Ukrainian refugees who were forced to flee. Rotary International created an official channel for contributions to support the humanitarian relief efforts underway by [#Rotary](#) districts. Her Majesty The Queen is the first British Monarch to celebrate a Platinum Jubilee. She acceded the throne on 6th February 1952 aged 25 years and completed seventy years of service on 6th February 2022.

The focal point of this historic occasion is the Platinum Jubilee Weekend in June 2022 which features an extended bank holiday in the UK to provide an opportunity for communities and people to come together to celebrate this historic milestone. The four days of celebrations will include public events and community activities, as well as national moments of reflection on The Queen’s 70 years of service.

The Queen’s Birthday Parade is normally held on the second Saturday in June but this year, it will be held on Thursday 2 June 2022. Over 1,400 parading soldiers, 200 horses and 400 musicians will come together to participate in the traditional Birthday Parade to mark The Queen's official birthday.

The Queen’s Platinum Jubilee Beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories. For the first time Beacons will be lit in all the Capital cities of the Commonwealth and beyond.

## Rotary Club of Gaborone

The Rotary Club of Gaborone celebrated its 50th Anniversary with DG Stella Anyangwe. It was chartered on 16 January 1972 and celebrated their Gala Charter Dinner on 26 May 1972. To commemorate this, a Gala Luncheon was held on 27 May 2022 and DG Stella was invited to visit and be the guest speaker.

Prior to addressing the RCG members and visiting Rotarians at the Gala Luncheon DG Stella took time

to visit some of the RCG projects such as House No 14 at the SOS Children's Village (left) and Botswana Retired Nurses Society (BORNUS) (right).

She also visited the Pula Sports Complex built with support from RCG to educate children on recycling and re-use of waste products such as bottles and cans to build toilets and other

structures and to give them somewhere to relax and play sport in safety (left & right).

DG Stella also visited the Olcan Watt Orchard and Garden Project and Kamagelo Day Care Centre (below).

Past District Governor 1997-1998 - Reg Loo, a founder member the Rotary Club of Gaborone also said a few words about the history of the Club. He was recognised for his outstanding Service Above Self to communities in Botswana for the past 50 years.

The Rotary Club of Vanderbijlpark supports agricultural training for learners at the Driehoek High School. The learners are trained by Rita Benecke of Agri Project, thanks to the Rotary Club of Vanderbijlpark Park in collaboration with the Golden Vaal Chamber of Commerce and Thuson Projects.

This project has attracted 20 volunteers and the numbers are steadily growing. They are able to access the vegetables that are grown by the project and other grocery items that are donated.

## Rotary Club of Rosebank

Business is the backbone of the economy of any country, and every third Friday of the month the Rotary Club of Rosebank holds a business meeting.

It is encouraging to see that Rotary members in business are engaging one another to find solutions, entrenching the organisation's motto: Serve to Change Lives. At a recent hybrid RC meeting, Marianne Soal, Hugh Rix, Lenore Terblanche and Roger Wedlake were able to make an appearance in person at Wanderers. Their speaker, Michelle von Benecke, was welcomed at the meeting as a guest. She is considering becoming a Rotary member.

The Rotary Club of Pretoria West recently joined the SOUNDS project. They set up a meeting where over 50 people, teachers and pupils, attended, by incorporating the Shalon Christian School in Silverton and three adjacent creches.

The SOUNDS project has been revived with the Viva Foundation, PEN and a new partnership with the Rotary Club of Pretoria West at the Viva Village crèche in Mamelodi, Pretoria where SOUNDS was introduced in 2011. Since then, they have used SOUNDS to equip their pupils in the basics of reading as well as expanding to a second campus.

## Rotary Club of Pretoria West

A recent training session served as a renewal of skills for four of their established teachers and an introduction for another four. Four new SOUNDS sets were handed out. This session with PEN was attended by 13 of their trainers and their two managers. The skills to effectively use SOUNDS were reviewed. Each of those trainers serves many creches so a real cascade of skills has been created another really rewarding success story.

## Rotary Club of Pretoria East

PEN has been the most loyal partner in the SOUNDS project of the Rotary Club of Pretoria East. Starting in 2011, the project introduced SOUNDS to about 30 creches per annum in the central areas of Pretoria. On average those creches had about 20 to 100 pupils, so by working on 50 pupils per creche, PEN has introduced

SOUNDS from 2011 to 2021 to over 15 000 pupils. Now (2022), PEN has expanded to 108 creches and the SOUNDS project is only introduced to those crèches that meet defined standards but assuming 100 creches are using SOUNDS, and 50 pupils are in each creche, PEN now introduces SOUNDS to 5000 pupils per annum. The books are sold for only R5-00 each, they cost R7 to R10, the difference made up by funds donated from our Swedish Club partners.

The Rotary Club of Randburg, Interact Club of Khensani and Noble Pursuits came together with Earthly Touch Foundation to commemorate Earth Day by laying the foundation of the Ecocentre, which is being constructed using ecobricks. The three Clubs and the community of Diepsloot have joined forces to construct this green building as our contribution to combating plastic pollution and reducing the impact of global warming.

The project will repurpose over 36 tonnes of plastic, provide classrooms to 150 students and create 20 temporary jobs in the Diepsloot community.

## Rotary Club of Randburg Interact Club

This project has seen a number of organisations, schools, churches and volunteers all playing their part by donating ecobricks, plastic and empty 2-litre bottles.

The organisation has also offered training in ecobrick making to various organisations and has received more than 10 000 ecobricks from the community.

## Rotaract Club of Johannesburg

The President of the Rotaract Club of Johannesburg, Renaldy Beyeme, recently led a team of volunteers to visit the village of Nyavinin in the Eastern Cape, close to the KwaZulu Natal border. To learn more about this community watch this video [This Place is Heaven - YouTube](#)

It appears that many children miss out on school days due to the close to 2-hour distance to the nearest school. Other issues include female health and teen pregnancies.

The Rotaractors are investigating more sustainable solutions that will have a greater impact on the community. This project is a collaboration between Xpose and the Rotaract Club of Johannesburg to ensure that the low rate of school attendance is addressed. It has given hope to the community as the volunteers provided sanitary items, school stationery and raincoats. Rotaractors were accompanied by local mentors who encouraged the children to return to school.

Ensuring a lasting Rotary legacy, the RC of Rosebank inducted a new Interact President at Highlands North Boys High School.

The ceremony was attended by 40 high school learners. Congratulations to new Interact President, Neo Segooa. We wish you a successful year. Past Presidents of Interact from left Philani and Ari with Neo, standing beside his teacher, Mojuta Motlhamme

## The Four-Way Test

Of the things we think, Say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## A Prova Quádrupla

Do que pensamos, dizemos ou fazemos:

1. É a VERDADE?
