LEARNING OBJECTIVES

Create a plan for communicating with other District Leaders !

Determine how to collaborate with one another on projects and goals!

Working with Your Leadership Team

Shared Responsibilities

A process for helping clubs implement the club leadership plan

Let's take a closer look at the district leadership team's responsibilities.

All members of the district leadership team are expected to:

- Work with the governor, governor-elect, governor-nominee, assistant governors, and district committee chairs to set strategies for achieving goals
- Promote and attend district training meetings and the district conference
- Relay information between Rotary International, the district, and club members

Working with each other and with clubs

Now that you know more about the roles of the district team, think about how you can work with the team members and your regional leaders to:

- Give clubs the support they need
- Relay information between clubs and the district

TAKE ACTION
