Training for District Governor

Zones 30-31

The Governors-elect training seminar (GETS) prepares the incoming class of governors in Zones 30 and 31 to successfully lead their district. At this regional meeting, governors-elect discuss effective strategies in their regions. It is usually held prior to the Zone Summit in the fall, along with the Governors-nominee Training Seminar (GNETS).

The Governors-nominee training seminar (GNETS) helps governors-nominee in Zones 30 and 31 begin preparing for their role as district governor. At this regional meeting, participants discuss effective planning strategies and best practices. It is usually held prior to the Zone Summit in the fall, along with the Governors-elect Training Seminar (GETS).

Rotary International

Governors-elect from around the world also meet for a week in January for extensive training at the Rotary International Assembly. There is a special track for spouses as well.
