

Rotary District 5180's Charity Golf Tournament

Yocha Dehe Golf Resort
Monday October 18th, 2021

Benefitting Rotary International's END POLIO NOW

The **2021 "Hole" Lotta LoveSM Charity Golf Tournament** is happening Monday October 18, 2021 at the beautiful **Yocha Dehe Golf Club** at Cache Creek Resort & Casino.

This year **"Hole" Lotta LoveSM**, working together with **Rotary District 5180 Foundation**, will raise funds to help eradicate polio from the world. Every dollar raised will go to Rotary International's **PolioPlus Program** and every golfer, sponsor, and donor will receive full **Paul Harris Foundation** credit in their name! There's no easier way to become a member of the **Polio Plus Society** than by golfing in this event!

This year, **Rotary District 5180 has resurrected the Governor's Cup!!** The coveted **Governor's Cup** will be awarded as a **secondary tournament prize** going to the **Rotary club foursome (all golfers must be active Rotarians!)** with the lowest team score. Remember, every dollar raised at the event will go to Rotary International's **PolioPlus Program.**

For questions and/or information please contact D5180 Polio Plus Chair, Tom Cicchini at 916.773.1938 or tom.cicchini@raymondjames.com.

Here's why we continue to support Rotary's EndPolioNow campaign:

In the late 1940s, polio outbreaks in the U.S. increased in frequency and size, disabling an average of 35,000+ people each year. Parents were afraid to let their children go outside, especially in the summer when the virus seemed to peak. Travel and commerce between affected cities were sometimes restricted. Public health officials imposed quarantines on homes and towns where polio cases were diagnosed (used to separate and restrict the movement of 'well' people who may have been exposed to a contagious disease to see if they become ill). Sounds all too familiar, doesn't it?

Since 1979, zero cases of polio have originated in the U.S. However, the virus has been brought into our country by travelers with polio. The last time this happened was in 1993.

Unless we eradicate polio now, within 10 years, as many as 200,000 new cases could occur around the world each year. In the past few years, only two countries have reported cases of polio caused by the wild virus, but no child anywhere is safe until we've vaccinated every child
