## The Mall of America

The Mall of America (MOA) is the largest indoor mall in North America. Since opening in 1992, MOA has revolutionized the shopping experience and become a leader in retail, entertainment and attractions including a **7-acre indoor theme park**. If shopping is your thing, you can choose from **over 500 stores** where you will find everything you need or want for yourself, your family or your home. And remember, in Minnesota, there is ***no sales tax on clothing or shoes***.

The Radisson Blu Hotel is connected to the MOA, so you will want to come a day early or stay an extra day to shop and play to your heart's content.
