July 2022

IMAGINE
What your ROTARY can be

District 9790 Newsletter

DG David with his children Lily & Liam McPherson and parents George & Val McPherson

DG David

Hello all and welcome to the new Rotary year where you get to Imagine what your Rotary can be. But more than that, the invitation from RI President Jennifer Jones is to not only **IMAGINE** it, but to **MAKE IT HAPPEN!**

July is 'New Leadership' month and as such I welcome all new Presidents and their respective board members to their new positions. Some of you may have been in these positions before however I urge you all to don't just do the same things you have always done, but to think differently, think outside the box, Adapt what you do and the way you do it to better suit the changing world we live in and to make it more relevant to your community.

Everything we do has to be relevant to people within our communities. It needs to be valued by our communities. If people see this then they will see that Rotary is an organisation that will want to be part of. (continues on page 4)

"It is the promise of hands-on service that we offer"

Vale Anne Reid

Distinguished Rotarian and District Governor 2021-22

Anne Reid joined Rotary in 2008 as a member of the Rotary Club of Alexandra. She was Club President 2013 -2014 and was 2017 Director the Art Show, always a successful event.

In District 9790 Anne was Assistant Governor for Group 4 from 2015 – 2018. She enjoyed regularly visiting clubs and was helpful to the Presidents and boards during those years, especially the newer Kinglake Ranges club. Anne served as District Secretary for PDG Malcolm Kerr 2018 – 2019 before being nominated as DGN to serve from July 2021. She received a Paul Harris Fellow recognition in June 2015 and on 10th June 2022 was given a PHF recognition with three rubies for her service to District 9790.

Anne at the District Conference Dinner with Kathy Mills Seymour Past President.

Anne was determined to proceed with her year as District Governor and focused immediately on her Conference team selected to provide a new model. 'Embracing Change' was her theme for the conference, and she endeavoured to have speakers and a structure that reflected new ways of planning. Coming from a smaller club Anne decided to invite other nearby clubs to organise specific elements of the conference e. g. the Saturday Dinner Dance and the Rotary Showcase. Having been involved with the recovery work in the Marysville area after the 2009 fires she was really keen to showcase the rebuilt town to the District.

After the 2020 bushfires Anne was quick to become involved in hands on support for the Corryong area and promoted many resourceful ways to support communities impacted in this disaster.

Despite her limited availability to meet face to face either due to COVID restrictions or her treatments, Anne visited clubs regularly via ZOOM and encouraged the clubs to develop their hybrid meeting capabilities by purchasing District subsidised equipment. She loved catching up with friends and Rotarians for coffee or a long lunch.

Anne's determination to make the most of her year as District Governor both for our Clubs and her passion for Rotary will be remembered. Her wit and ready laugh continued throughout her illness and were a testament to her strength and resolve, and will be missed by her friends and colleagues alike.

A memorial for DG Anne Reid will be held later in the year.

Elizabeth McCormick
District Secretary 2021-22

DG David McPherson

Induction of 2022-23 District Governor David McPherson at the Gateway Hotel in Wangaratta

Diversity Equity Inclusion

My name is Ellie Stephens and I have volunteered to be the Diversity Equity and Inclusion representative for our District 9790 for the next 12 months as part of the District Membership Committee. I am really looking forward to joining this committee and getting to know other Rotarians - to learn from them, share ideas with them and together with you all continue the journey of those before us who share a belief that to grow and expand, Rotarians need to reach out to our community in a way that embraces the diversity of our communities we serve.

This subject of Equity Diversity and Inclusion is not new to me. Approximately 25 years ago as HR professional at the Australian based Boeing site at Fisherman's Bend, Melbourne I led a Diversity and Inclusion educational program roll out to all managers and employees. I then continued my passion for another 13 years working with corporate entities and small business alike as a consultant to promote best practice Diversity solutions in workplaces. I retired about six years ago and discovered Rotary soon after. In the last 12 months I had the privilege of being the President of the Cobram Rotary Club and worked with a wonderful bunch of people.

Right now, Rotary world-wide is looking at Membership numbers and as districts and clubs we are collectively looking at how we can encourage more in our communities to join us. Equally important is how can we retain the members we have. People leave for all sorts of reasons some are in our control, and some are not. What if we are unaware of why someone loses interest and eventually does not renew their membership? Have we met their expectations? Has something happened that has unconsciously offended or made them uncomfortable? Have we been flexible enough in meeting their needs?

I recently listened to a very passionate and powerful speaker Valerie Wafer who is Chair of

Rotary International Global Diversity Equity and Inclusion. Please take a few minutes to listen, I am sure you won't be disappointed. <https://talkingrotary.org/wp-content/uploads/2022/03/ValarieWafer.mp3>

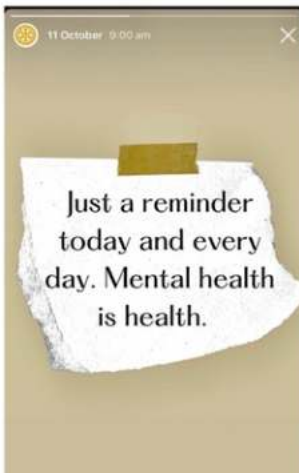

Diversity Equity Inclusion

In her discussion she talks of the many facets of DE&I but one that I would like to leave with you today is “to engage with the communities we serve”. How do we reach out to the Diversity in our communities now? I am proud to say that Cobram Rotary Club has been endeavouring in a small way to do that through social media and here are some of our posts and stories on Facebook and Instagram. As Clubs we can hook in with community stakeholders e.g. our local Councils and Shires as they are one community stakeholder that actively promotes and encourages Diversity and Inclusion in their jurisdictions. From what I have seen on social media shares, many clubs are doing great work in connecting with the community. Your stories and ideas would be welcomed so we can share with the whole District. Thankyou.

*Celebrating the history
culture and achievements
of our Aboriginal and
Torres Strait Peoples*

We are looking forward to another year of Rotary under the leadership of the first female Rotary International President in 117 years. Diversity is one of our greatest strengths and it is gratifying that at last we have a female leader, but gender balance in our numbers is only one aspect of Diversity and hopefully we can explore these areas together over the next 12 months.

Let's “Imagine” what that will look like.

Rotary Club of Appin Park Wangaratta Celebrates Fifty Years

The Rotary Club of Appin Park was chartered on 22nd June 1972. So, fifty years later, the Club has just celebrated its Fiftieth Anniversary. A gala dinner has been held at the Gateway Hotel Wangaratta with over sixty past, present, Club and District members in attendance, welcomed by the current President, Beverley Maher, and the Mayor of the Rural City of Wangaratta. In addition there were past exchange students and National Science Summer School attendees (in person or by video), and our first Rotary Foundation (now Ambassadorial) Scholar, Professor Margaret Hamilton.

Professor Margaret Hamilton, the first guest speaker, outlined how, having already been a Rotary exchange student, she was sponsored by the Rotary Club of Appin Park to study at Michigan University in the USA under Rotary Foundation. "This Rotary Club," Margaret said, "effectively launched my career." Margaret became Professor Drug and Alcohol at the University of Melbourne.

By video link, Justin Nash, came in from Perth to speak about how his experience as a National Youth Science Summer School participant, and the invitation he received to attend the Nobel Prize giving in Stockholm, inspired his scientific career. He is now engaged in the decarbonising of the energy industry.

Lachlan Carboon, another NYSS student, who was at the celebration in person, also enthused about his high tech scientific work, inspired by his attendance at this stimulating Rotary program. A number of former exchange students, present at the event, spoke about their current careers. We were also connected by video link to Denmark where Teresa Petersen enthused about her Rotary student exchange experience with the Rotary Club of Appin Park Wangaratta.

Various current and former members who have served as President of the Club, gave a point by point history of the major achievements and events in the Club's history.

Original Charter member, Wally Patjens, was invited to cut the Fiftieth Anniversary cake. The whole evening was a very social and uplifting experience for all who attended.

Overview of some of the attendees.

Former exchange student Rachael McGregor

Lachlan Carboon, former NYSS student

Margaret Hamilton, Wally Patjens, and Bev Maher (President) cutting the cake.

Mental Health First Aid

For over five years now Moreland Rotary has focused on Mental Health in our Community.

For those at the March Marysville conference, you will recall Rotarian Lee Garwood summarising our Mental Health activities. In the November District newsletter, we shared the remarkable reach and success of our inaugural Lift the Lid walk for our District. Our second walk will be Sunday 9 October 2022 (save the date)!

In the February District newsletter, we shared the Reflect Respect Celebrate community breakfast featuring MHFA co-founder Betty Kitchener and Dr Claire Kelly, of Mental Health First Aid Australia.

Mental health first aid (MHFA) is a training program that teaches members of the public how to help a person developing a mental health problem, experiencing a worsening of an existing mental health problem or in a mental health crisis. MHFA courses can provide members of the community with:

- Skills in how to recognise the signs and symptoms of mental health problems
- Knowledge of the possible risk factors for these mental health problems
- Skills in how to give appropriate initial help and support someone experiencing a mental health problem
- Skills in how to take appropriate action if a crisis situation arises involving suicidal behaviour, panic attack, stress reaction to trauma, overdose or threatening psychotic behaviour.

You have all heard former DG Anne speak of this program. Moreland Rotary are proud People of Action, and so we made a call to action for our local community and the southern end of District; Clusters one, two and three to participate.

Whilst there was a large showing of Moreland members and their local community, we also had Rotary representation from Diamond Creek, Eltham, Pascoe Vale, Strathmore and the RYLA Supporter team.

We arranged for the program to be delivered by Aleksei Bondarenko – Edwards, of Bond and Wild Co. Moreland Rotary purchased textbooks, and branded notebooks, pens and lanyards for all participants.

The initial two day course hosted at Pascoe Vale RSL was on Sundays 27 March and 10 April. With demand, a second hosted at Federazione Lucana was on Saturdays 30 April and 7 May 2022.

Thanks extended Moreland Rotary for funding 30 of the 40 participants in this essential program and to former Assistant Governor Emma Davis for coordinating.

PP Emma Davis
Moreland Rotary

ShelterBox Larapinta 2022

Hi!

I've signed up to take part in ShelterBox Larapinta 2022! This is a cause close to my heart, so I've committed to doing something big and challenging to raise awareness and make a difference.

My goal is to raise \$500 but I need your help to reach my target and beyond. Please donate now by following the link to my fundraising page here:

<https://shelterbox-larapinta-2022.raisely.com/steve-crosling>

Your support means a lot to me – thank you so much!

Cheers,
Steve Crosling

A chat with Melissa Hebbard about Honouring Indigenous Peoples Australia (HIPA)

Mandy Kwasnica and Peter Tonge of Winnipeg Charleswood Rotary in Canada have developed and are co-hosting a Rotary themed podcast called **Talking Rotary**. In this podcast they talk to **Melissa Hebbard of Milawa Oxley Rotary** who talks about the **Honouring Indigenous Peoples Australia** program reflecting on the similarities and differences between the situation in Australia and Canada and the challenges faced by First Nations peoples in both countries.

Click on the icons on either side to listen to the podcast or key in: <https://bit.ly/3IAdw8A>

Talking Rotary can be found at the website:
<http://www.talkingrotary.org>

Rotary and Rotaract Clubs are reminded that the **DUE DATE** for applications for a Rotary Foundation District Grant is **31 July 2022**.

***What is a Rotary Foundation District Grant?***

All monies allowing a District Grant to be made come from the contributions made by Rotary and Rotaract Clubs and individuals in District 9790 three years previously. For each \$100 contributed to the Foundation, 47.5% comes back to the District to spend on programs and projects as determined by the District Foundation Committee. Up to half of what the District receives back can then be spent on District Grant projects identified and implemented by Clubs. They may be local or international projects, usually have short term impact and the Club must contribute an amount equal to or greater than the budget expenditure.

Amongst other criteria, Rotary and Rotaract Clubs making applications need to ensure that:

- The application is made on the appropriate form available on the District website under The Rotary Foundation tab. Use the accompanying Application Guide when completing the Clubs application.
- The Memorandum of Understanding is signed and submitted with the application – the MOU is also downloadable from the District website
- They had a Club representative attend the online District Grant Seminar held on 27 March 2022 **OR** they have completed the online version from the Rotary International website **and** have forwarded their qualification Certificate to the District Foundation Chair
- Clubs wishing to submit more than one application **MUST** prioritise each application. The aim is to make grants available to as many Clubs as possible, not as many projects as possible.
- Clubs with previous Foundation District Grants must have completed their reports and acquitted the grant monies received

All applications must be submitted to Marg Crisp, Chair of the District Grants Committee, at grants@rotary9790.org.au

The online Grant Seminar from 27 March 2022 can be reviewed on the District website,

DAVID ANDERSON

Chair, Rotary D 9790 Foundation Committee

If you think your club might like to participate and generate risk free funds, then Contact Richard Speedy on 0490792601 or rspeedy@iinet.net.au to obtain more details.

Australian Ski Event 2022

7th September to 11th September 2022
Falls Creek Resort in Victoria,
Australia

Our host club is the Rotary Club of Mount Beauty in District 9790.

District 9790 DG David McPherson will be the guest speaker at the Joint Rotary Meeting on Friday 9th September.

- David became a paraplegic as a young teenager when the car he was in, returning from a ski trip, went off the road.
- David's father invented a sit ski for him which David happily adapted to and continued to enjoy his skiing.

Venue: St Falls Resort (previously known as QT Falls Creek).

We suggest that people book their accommodation as soon as possible.

Falls Creek is part of the Epic Pass

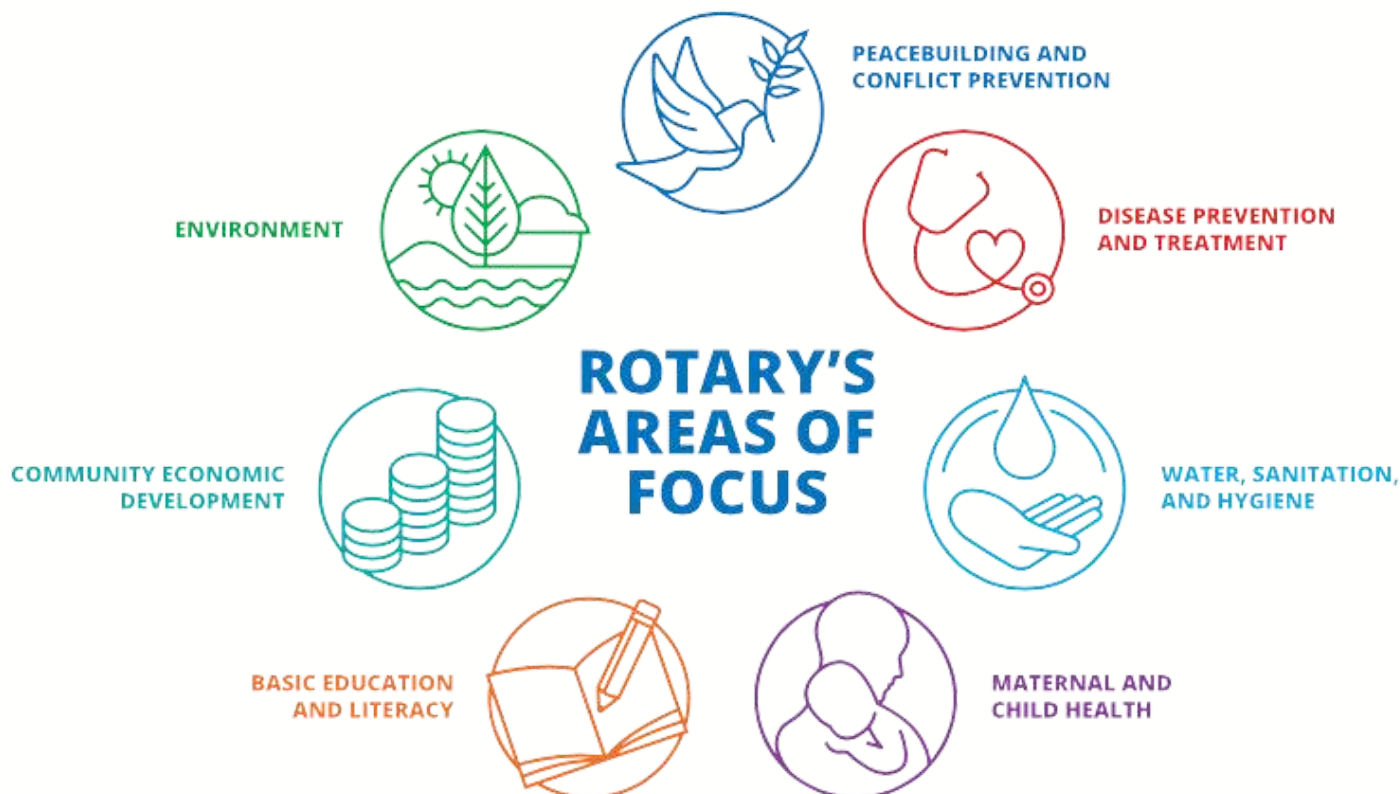

Please contact Melissa Hebbard 0417368885
melissahebbard@outlook.com for more information and to register interest.
