Rotary

ROTARY:
MAKING A
DIFFERENCE

Learning Objectives

- Identify skills needed by an effective club leader.
- Anticipate potential challenges in leading fellow Rotarians, and develop strategies for handling them.

Resources

- ***Lead Your Club: President***, Chapter 3 – Your Leadership
- ***Be a Vibrant Club: Your Club Leadership Plan***

Find these documents in .pdf form by searching for them by name from www.rotary.org

Discussion Questions

- What leadership skills are important for your role?
- How will you keep club members motivated?
- How will you select and prepare your club leadership team?
- How do you communicate with District leaders and how do they communicate with you?

Activity 1

Scenario: Social Member

- Nucky comes to club meetings regularly and is great at social events. His profession as the County Treasurer was very attractive to the Club initially; however, Nucky has never volunteered to be a club officer, run a committee or chair a club event. What do you do?

Activity 2

Scenario: Disorganized Area Governor

- Tim has been an Area Governor for one year. The previous club president had some difficulties with him, but you are determined to overcome these challenges. Halfway through the year, you realize that your past club president was right: Tim is not organized, and you have not been able to reach him. He also forgot to schedule your District Governor's visit. What do you do?

Activity 2

Scenario: Service Project Opportunity

- Your community has identified a need for help at a local food bank. You have many younger members who work full-time and can't volunteer during the week. Many of the older members have time but are not as physically to do the work. What do you do?

Before you go...

- Thank you and good luck during your Presidential year!
- Your Area Governors and District leaders are here to help.

LUNCH

Humanitarian Service through our Foundation

**The second priority of Rotary's Strategic Plan:
*increase humanitarian service.***

Service is what attracts new members to Rotary.

If service projects are significant and sustainable, and meet the needs of the community, then membership, public image, and contributions will improve.

- How can club presidents increase humanitarian service in their clubs?
- How the district plans to increase humanitarian service...
- Clubs should:
 - Support the eradication of polio
 - Increase sustainable service focused on youth programs and the areas of focus
 - Increase collaboration and connections with other clubs and organizations
 - Create local and international projects for which you will be known

WHAT IS ROTARY?

In a few words, "Service Above Self." But there's more to say about Rotary and the global impact its members bring to reduce human suffering and bring hope and support to millions in need. Small Pox, eradicated; Polio, fading fast; real hope, delivered daily. **Much more.**

Why Join a Rotary Club

Kal Rotary club is a vibrant and diverse group of 91 members that was formed in 1984. We not only believe that *"It's Great to do Business With A Rotarian"*, but are also committed to doing *"Great things in our Local Community and Internationally"*.

Five Reasons to Join a Rotary Club

1. Friendship

A basic human need: One of the two reasons Paul Harris began Rotary in 1905. Rotarians believe while it is nice to be important, it is more important to be nice.

About Rotary Foundation

ROTARY: MAKING A DIFFERENCE

Some years ago, a new acquaintance asked me what should have been a simple question: “What is Rotary?” I opened my mouth to reply and then stopped short with the realization that I simply did not know where to begin. The problem wasn’t that I didn’t know what Rotary was. The problem was that Rotary was — and is — too large and complex to easily define. We are a member-based organization, a club-based organization, and a service-based organization; we are local, regional, and international; we are community members, businesspeople and professionals, working and retired, active in nearly every country in the world. Every one of our 1.2 million members has a unique set of goals, experiences, and priorities; every one of us has a unique understanding of Rotary.

To me, Rotary is defined not by who we are, but by what we do — by the potential that Rotary

We answer the question “What is Rotary?” with our actions, by making a difference through our service.

As an organization, we recognize how important it is that the world understand what Rotary is, and what we do. At the same time, we know that it is more important than ever to allow our clubs to define Rotary service for themselves. As Rotarians, we have more flexibility than ever to decide how we want our clubs to meet, work, and grow. We’re focused more than ever on making sure that Rotary reflects the people it serves, with more women and a more diverse membership. And we’re working hard to ensure that Rotary remains the world’s pre-eminent volunteer service organization, by emphasizing long-term planning, sustainable service, and continuity in leadership on every level.

In 2017-18, we will answer the question “What is Rotary?” with the theme *Rotary: Making a Difference*. However each of us chooses to serve, we do it because we know our service makes a difference in the lives of others. Whether we are building a new playground or a new school, improving medical care or sanitation, training conflict mediators or midwives, we know that the work we do will change people’s lives — in ways large and small — for the better. Whatever motivation each of us had for joining Rotary, it is the satisfaction we find in Rotary that causes us to remain, the

HOW TO QUALIFY FOR THE CITATION

Clubs that are strong and making a positive difference in our communities achieve goals related to Rotary’s three strategic priorities: to support and strengthen clubs, focus and increase humanitarian service, and enhance Rotary’s public image and awareness.

This year’s Rotary Citation will recognize clubs that complete activities that support these priorities. Clubs will have the entire Rotary year — 1 July 2017 to 30 June 2018 — to achieve the citation’s goals.

Rotary will be able to verify your club’s completion of most of the goals using our database. For others, we’ll confirm your club’s achievements through information you enter in [Rotary Club Central](#), [Rotary Showcase](#), and [Rotary Ideas](#).

District governors can also track their clubs’ progress online. I’m asking each of them to talk with clubs regularly and support them in achieving these goals and *Making a Difference*.

Find more information at www.rotary.org/presidential-citation. If you have questions, write to riawards@rotary.org.
