

The Model United Nations Assembly (MUNA) is an initiative by Rotary to develop an understanding of World Affairs for senior secondary school students in a forum similar to a General Assembly of the United Nations.

The objective is to develop **tolerance, international understanding** and **world peace**. MUNA gives students the opportunity to consider real issues confronting the world.

We hope their experiences will influence many others in our quest for World Peace.

We invite all the Rotary Clubs of District 9675 to support this program by sponsoring **one team per Club** of up to three senior high School students to MUNA. The steps are simple:

1. Firstly, speak to the Principal of your local High School to promote the concept.
2. Seek the name of a teacher willing to promote the concept to Year 11 or Year 10 students and also assist the students with their research.
3. Once the school has selected a team complete an application form which can be downloaded from the District website and send it and the sponsorship fees to the District MUNA Committee. Closing date 26th May 2023

Suggest that current Year 9 or Year 10 students come and watch an Assembly so that they are better prepared for the following year.

Some clubs contact several local schools and have a "Knock-out" MUNA at club meetings and then sponsor the winning team to District MUNA.

The MUNA Committee formulates the resolutions for debate. They select countries that are member states of the UN and these member states are then allocated, one to each team by ballot. Each team consists of up to three Year 11 or Year 10 students plus a counsellor (Teacher or Rotarian).

Our senior school students will be our future leaders. We should be committed to helping them strive for greater tolerance in the world.

We seek your support to nominate and sponsor a school team at \$475.00 per team. This cost includes:

- Morning tea & lunch for the participating students plus one counsellor.
- Various prizes, for Best Dressed, Best Presentations and Best speaker.
- The cost of entering one District MUNA teams in the National MUNA to be held in Canberra in August of each year.
