Member Contributions to Rotary Foundation and Polio Plus Campaigns

Los Gatos Rotary Board of Directors Motion Passed April 16, 2020

- 1. The Rotary Foundation contributions for 2019-2020 : all members who have not contributed will be billed \$25 through their credit card accounts. Those who have contributed at least that much for this period will not be billed.**
- 2. The 2020 Polio Plus campaign: all members who contributed last year will be asked to give the same amount this year as they contributed last. All members who did not give last year, or who do not donate separately above \$25 this year, will be billed \$25 through their credit card accounts. If they do donate beyond that amount, they will not be billed the additional \$25.**
- 3. All members will be given the option to “opt out” of either or both of these billings by contacting the Treasurer (Ed Bowen).**
- 4. New members during this fiscal year who have been charged an initiation fee of \$200 (\$100 to the Club and \$100 to the Rotary International Foundation) will not be charged either of these fees. They still will be encouraged to contribute additional amounts.**

Comments were invited and a few received

- **No billings would occur until June**
- **All funds must be submitted before July 1 to Rotary International**
- **“Opt out” choice was made to allow any member to choose not to contribute, but to also facilitate collection of contributions**
- **No \$25 charge to any member contributing individually that amount or more voluntarily**
- **BOD can shift to “Opt in”, send out requests for contributions with credit card or other donation type check off, and try to follow up with non-responders**
- **Membership can also vote to support the current motion**

Santa Clara County COVID-19 Cases Dashboard

Data last updated April 26, 2020

This dashboard provides detailed data on cases of COVID-19 in Santa Clara County. Due to limited testing capacity, the information reported represents only a small sample of the likely total COVID-19 cases in Santa Clara County. Increased testing availability is expected to increase the number of confirmed COVID-19 cases reported.

Showered & put clothes on	Checked on elderly neighbor	Ate healthy food	Did a kindness for confined housemate	Watched the Sunrise or Sunset
Used isolation to do a huge spring clean	Read a meaningful book	Called a remote family member	Repaired something	Exercised responsibly
Had a video chat or video meeting	Listened to music from your teenage years		Wrote to someone to forgive an old insult or injury	Made some art and craft
Drank less alcohol than yesterday	Brushed, groomed or played with a pet	Went outside and got fresh air and sunshine	Didn't annoy confined housemates	Cooked something special for housemates
Learnt a new skill or talent	Made facemasks for housemates & friends	Hand-wrote a letter to someone you love	Washed hands frequently & properly	Avoided snacks
